PLANNING GREAT VACATIONS is easy with this Directory. If you're already familiar with how to use this book, turn to page 8 for information and advice on completing a vacation exchange.

SELECTING A DESTINATION — This Directory groups Interval member resorts into 24 geographical regions. Each region is further divided into vacation areas and, finally, into individual resort features.

There are several ways to locate a vacation area and resort. The Contents pages provide a color-coded guide to regions and vacation areas. And city, state, country, or region names that appear on colored tabs on each right-hand page help you flip quickly to an area.

The online Resort Directory at IntervalWorld.com makes it even easier to find a resort. You can search by location, activities and amenities, unit size, and the resort code or name.

VACATION PLANNING — Travel Demand Indexes appear at the beginning of each region. The Travel Demand Index demonstrates historical strength of inbound leisure travel demand in a given area. Turn to page 13 for a more detailed explanation.

- **GEOGRAPHICAL HEADING** The geographical heading matches the heading in the index and the link in the online Resort Directory.
- **RESORT CODE** Use the three-letter resort code when you make a deposit or request an exchange.
- **GOLF RESORT** Resorts participating in the Golf Resort program have an 18-hole golf course on-site or within close proximity. These resorts also extend special golf-related benefits to Interval members.
- **ALL-INCLUSIVE RESORT** These properties **require** the purchase of a meal plan payable to the resort. You will be advised of the charges when you request an exchange or Getaway.
- **MAP REFERENCE** Indicates page number of region map and map coordinates for the resort's location.
- **RESORT ADDRESS** The address for check-in may differ from the address shown. When your exchange is confirmed, you will receive check-in instructions and directions to the resort.
- **RESORT TELEPHONE** Resort telephone numbers are stated as for calling from within the same country, but outside the resort city. Add the international telephone prefix to call a resort from outside its country.
- **AIRPORT** Location of the closest major airport, its airport code, and distance to the resort expressed in miles (M) and kilometers (K). Alternate or regional airports also may provide access to some resorts.
- **RESORT WEBSITE ADDRESS**
- **CHECK-IN AND CHECK-OUT DAY(S)** These are established by the resort and may vary. Your exchange confirmation will indicate the specific day and time applicable to the unit week you have received.
- **TRAVEL DEMAND INDEX REFERENCE** This number identifies the Travel Demand Index chart that is applicable to the resort.

SPECIAL EXCHANGE AVAILABILITY DESIGNATIONS

LIMITED EXCHANGE ACTIVITY designated resorts have only a limited number of vacation units available for exchange. This could be because few members at these resorts wish to relinquish their weeks for exchange, or because the resort is a small development with few owners who can offer their vacation accommodations to the Interval system. Demand for these resorts and/or vacation areas usually exceeds the supply. Limited Exchange Activity status is subject to change at any time. Please refer to the online Resort Directory for the most up-to-date information.

NEW MEMBER RESORTS also usually have a limited number of units available for exchange.

UNDER CONSTRUCTION OR RENOVATION resorts are in various stages of construction or are improving accommodations or facilities. No amenity symbols are shown. These are destinations you may want to consider in the future.

AMENITY SYMBOLS are shown for all active resorts. The blue symbols represent amenities, facilities, and activities available on-site at the resort. The green symbols indicate those located nearby (within approximately 5 miles/8 kilometers).

THE WHEELCHAIR ACCESSIBLE SYMBOL is shown for resorts that have at least one unit with the following attributes: access via an elevator or ramp; wheelchair-wide entryways for unit, bathroom, and bedroom; and handrails in the shower or bathtub.

UNIT TYPE AND OCCUPANCY SYMBOLS (shown in purple) indicate each type of unit available at the resort. The large number or letter in the center of the symbol indicates the number of bedrooms. The small number in the upper left shows the number of guests a unit can accommodate privately, allowing for two people per separate sleeping area with private access to a bathroom. The small number in the upper right shows the maximum number of people permitted to occupy the unit. For example, the symbol shown here (4 6 / 2) means that the resort offers two-bedroom units that can accommodate four people privately, but can sleep six people in total.

PLEASE NOTE: Amenities and furnishings vary from unit to unit. Unit views will vary within a resort, and cannot be guaranteed. Certain amenities, facilities, and activities may not be available at all times of the year. Some resorts impose amenity usage fees.

Contact an Interval vacation advisor for specific information concerning amenity, facility, and activity availability, and to ensure you're requesting a resort and unit that meet your particular needs.

Maritime sharing. Exchange vacations aboard yachts and other waterborne vessels may require charges in addition to the Interval exchange fee to cover the costs of food, provisions, and other services. When an exchange request is made, members will be notified of any such additional charges that may be in effect.

Resort photographs. The architect's rendering shown for resorts under construction may vary significantly from the completed appearance of the resort. Interior photographs are of typical vacation units and are not necessarily representative of every unit at the resort.

Resort affiliation. Interval continually adds new resorts to its network to provide greater variety for members. New member resorts are featured throughout the year in Interval's magazines and in the online Resort Directory at IntervalWorld.com. Some resorts are removed from the system to ensure maintenance of Interval's quality standards. The availability of specific amenities and the continued affiliation of resorts shown in this Directory are subject to change without notice. Interval has additional member resorts that are not included in this publication.

Every effort was made to ensure the accuracy of photograph identification, travel information, resort descriptions, and resort amenity symbols. Interval International expressly disclaims any liability in the event of error.

IT IS FAST, EASY, AND FUN! Through Interval International, you can trade your points or week for one at hundreds of resorts around the world. Exchange is a great way to give your family a refreshing change — to visit exciting new destinations, or travel at a different time.

If you own a week ...

Signing in to IntervalWorld.com is the fastest and easiest way to exchange. Click the Exchange tab, search for availability, and then pick the week you would like to trade — one that you've already deposited or one that you have yet to relinquish (an open week).

For most members, the information you will need about your week will already be loaded into our interactive exchange system. Depending on your home resort, you might need to provide only your three-letter resort code, week number, unit number, and size. Some resorts assign a week for an owner's use directly into Interval's exchange system or require a reservation. Contact your home resort if you are unsure.

Next, select the vacation week that you want; if it's available, you will receive an instant confirmation, and you can prepare for your trip. If you don't immediately find what you're looking for, choose an exchange method — Deposit First or Request First.

GO TO INTERVALWORLD.COM OR CALL 800.INTERVAL FOR AN INSTANT CONFIRMATION.

DEPOSIT FIRST

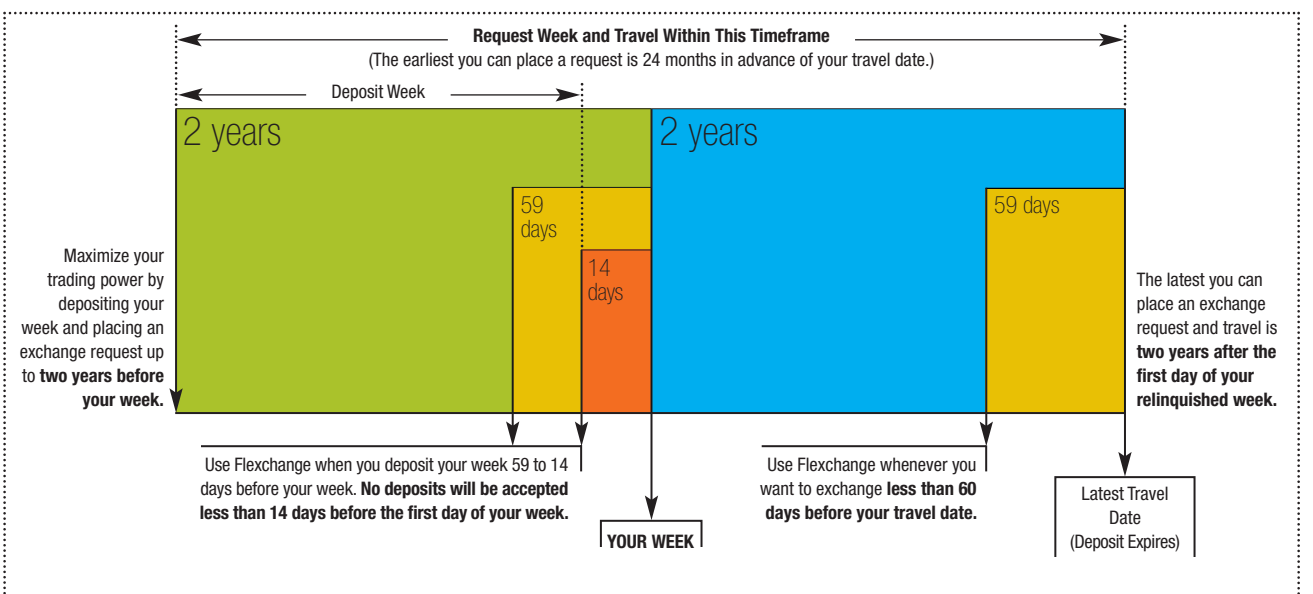

Use Deposit First when you are sure you want a different vacation experience — even if you don't receive an instant confirmation. Once you deposit your week, you give Interval the immediate right to assign it to someone else.

With Deposit First, you'll have the flexibility of a four-year travel window — you can exchange anytime from two years before to two years after the first day of your home resort week. You cannot request travel dates more than 24 months in advance of your travel date.

Be sure to deposit as early as possible to improve your opportunity for exchange confirmation over deposited weeks that enter the system later with comparable trading power.

After you deposit your week, place a request. Availability changes daily, so the week you want may become available at any time. If you do not submit a request, the vacation in which you're interested could be confirmed to someone who has, because the exchange system first matches deposited resort weeks to requests that already have been placed.

DEPOSIT FIRST

REQUEST FIRST

Want the security of retaining your home resort week until you receive an exchange confirmation? Use Request First when your home resort is where you would like to go if your exchange choices are unavailable.

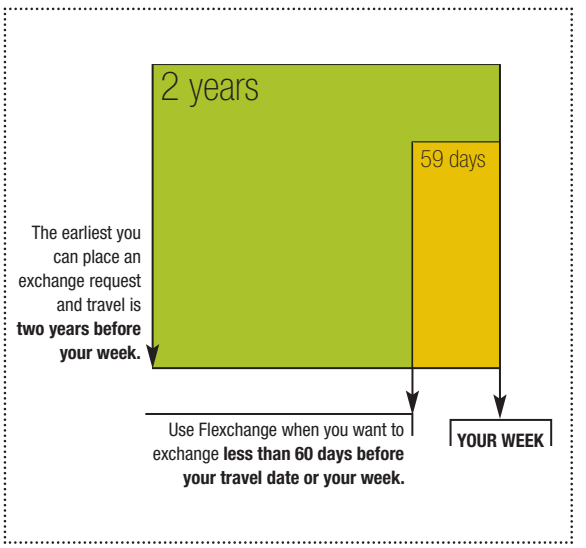

You can place a vacation request and travel from two years before the week you offer in exchange up until the dates of that week. If you exchange online, eligible weeks will appear automatically.

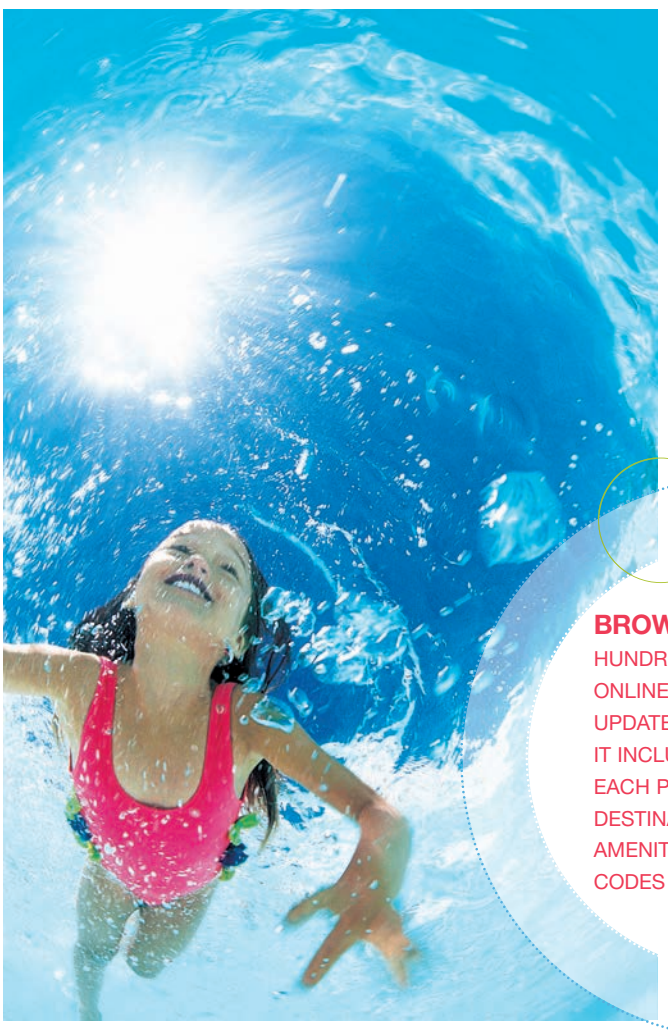

Once you have a confirmed exchange, you will relinquish your week to Interval, and you can pack your bags.

If you're a member at a points-based resort ...

Use Request First. Simply place a request and keep your points until Interval confirms that you have enough to make the exchange that you have chosen. Some points-based members will be able to exchange online; others will have to contact the resort from which they purchased.

REQUEST FIRST

Placing an exchange request

Whether you own a week and are using Deposit First or Request First, or if you're a member at a points-based resort using Request First, when you place an exchange request, be sure to select a minimum of:

- Three different resorts and one time period
- One resort and three time periods or
- Two resorts and two time periods

And be flexible — list several options to increase your exchange opportunities. If one of your selections becomes available, you will be confirmed immediately.

BROWSE THROUGH

HUNDREDS OF RESORTS IN THE ONLINE RESORT DIRECTORY. UPDATED THROUGHOUT THE YEAR, IT INCLUDES UP TO 10 PHOTOS OF EACH PROPERTY. SEARCH BY DESTINATION, ACTIVITIES AND AMENITIES, UNIT SIZE, AND RESORT CODES OR NAMES.

If you're traveling on short notice ...

FLEXCHANGE

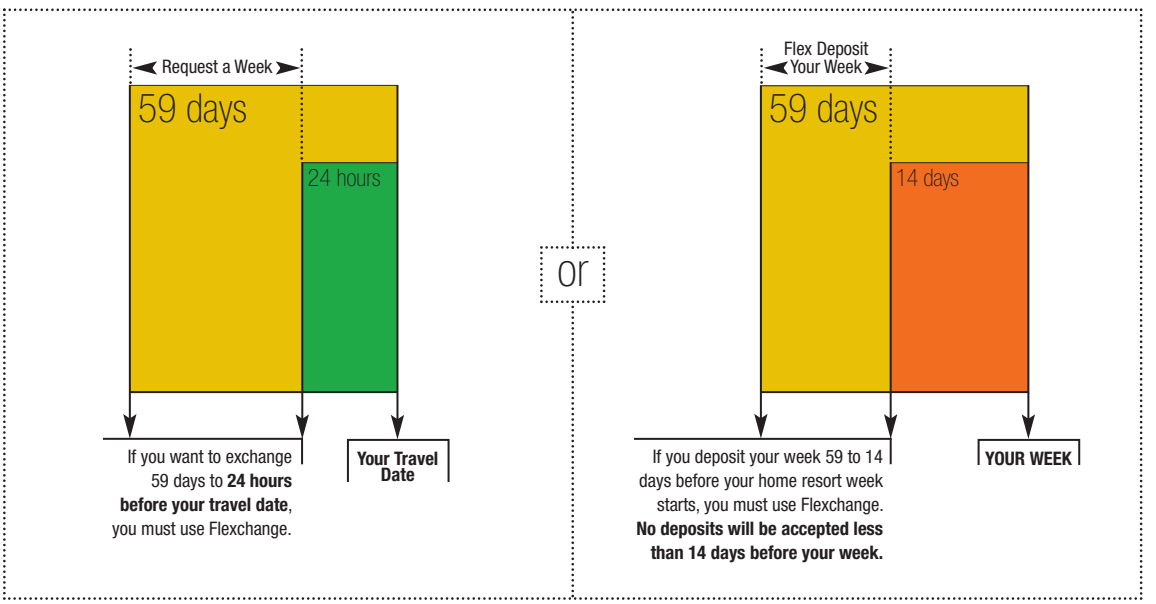

Through Flexchange, you can request a vacation exchange from 59 days to 24 hours before check-in. Go to IntervalWorld.com for a listing of available destinations.

You'll also use Flexchange if you deposit your week 59 to 14 days before your home resort week starts.

Traveling With Someone Who Has A Physical Disability

Look for the wheelchair accessibility symbol . It indicates resorts that have at least one unit with the following attributes: access via an elevator or ramp; wheelchair-wide entryways in the unit, bathroom, and bedroom; and handrails in the shower or bathtub. To ensure that you'll be confirmed into an appropriate unit, identify your specific requirements when requesting an exchange. Interval will advise the resort of your needs once the request is confirmed.

FLEXCHANGE

If you're an Interval Gold or Interval Platinum member ...

You have even more exchange opportunities than those explained. If you can't take a weeklong break, you can use ShortStay Exchange to turn your resort week into two shorter vacations — each from as few as one night to as many as six. Points-based members can take as many ShortStay Exchange vacations as their available points allow.

And Interval Options lets members trade their week or use their points toward a cruise, or a golf, spa, or tour vacation.

For more Interval Gold and Interval Platinum benefits, turn to pages 22 and 23.

When you complete an exchange ...

You'll receive a vacation confirmation (via email or the postal service) that includes details about the unit, resort, and surrounding area.

If you need to arrange air travel, a rental car, or a hotel stay to extend your resort vacation, you can do so at IntervalWorld.com.

Enhancing Your Exchange Opportunities

Request the smallest-sized unit that will accommodate the number of people in your traveling party. You can tell how many people a unit accommodates by referring to the unit type and occupancy symbol. If, for example, you relinquish a two-bedroom unit that sleeps six (4 6 / 2), but there are two people in your party, request either a one-bedroom unit (2 4 / 1) or studio (2 2 / e). You cannot request a unit that accommodates more people than the one you're giving up, but you will improve your exchange opportunities by accepting a smaller unit.

IF YOUR SELECTION
IS AVAILABLE, YOU WILL BE CONFIRMED IMMEDIATELY. IF YOU DO NOT RECEIVE AN INSTANT CONFIRMATION, PLACE A REQUEST IN INTERVAL'S EXCHANGE SYSTEM.

GETTING A FAIR TRADE When you place an exchange request, Interval's state-of-the-art system evaluates your resort week, based on the following factors, so that the vacation accommodations you receive and your vacation experience are comparable to those at your home resort.

INTERVAL'S SYSTEM IS DESIGNED TO GIVE YOU A FAIR EXCHANGE WHEREVER YOU TRAVEL.

RESORT QUALITY

Interval International measures and monitors the quality standards of our member resorts by reviewing evaluation forms received from exchange guests, conducting resort inspections, and employing our unique Quality Rating System. Factors considered include aspects of the resort, units, and destination; physical attributes of the property and facilities; the availability, quality, and scope of guest services and amenities; and resort location.

In terms of location, because timeshare resorts are built to reflect local culture, architecture, and lifestyles, the standards of accommodations vary from one area to the next. While some disparity exists in the quality of accommodations and amenities from one destination to another, experiencing different cultures, locales, and resorts is an appealing part of exchanging for many people.

Interval's system is designed to give you a fair exchange wherever you travel.

SUPPLY AND DEMAND

Your ability to secure an exchange is also influenced by the supply of and demand for resort weeks, both at a specific resort and within your desired vacation destination. Simply put, the resort weeks that are available (the supply) are those that have been offered for exchange by Interval members. But, some members prefer to hold on to the unit they purchased because they like the season (families with children might buy a week during the summer because the period between school years is the only time they can travel together) or the location (avid skiers will likely want to keep their week in the Colorado Rockies or the Alps). When members who own at highly desirable destinations or during peak travel periods do not give up their week for exchange, there may not be enough resort space available to satisfy every member's vacation request (the demand).

To partially remedy this situation, we attempt to increase the supply of weeks available to you through a variety of methods. And, to help you better understand the ebb and flow of leisure travel demand within a destination area throughout the year — and assist with vacation planning — Interval International provides its proprietary Travel Demand Index (see facing page).

SLEEPING CAPACITY

Sleeping capacity is determined on the basis of two people per private sleeping area — not maximum occupancy. Units with more private sleeping areas are often in greater demand and generally will yield higher trading power. To determine the private sleeping capacity of a particular resort unit, refer to this number in your Directory. To determine the maximum occupancy of an Interval resort unit, refer to this number in your Directory.

ENHANCING YOUR TRADING POWER

When new resort weeks enter the exchange system, we first review all pending exchange requests for possible matches, based on the above factors. Only after we've completed this process do we release the weeks to members seeking an instant exchange confirmation. Therefore, the best way to enhance your exchange opportunities is to place a pending request, and to do so as early as possible. This not only boosts your trading power, but also gives us the most time to find a suitable match. Keep in mind that the more flexible you are when selecting dates and destinations, the better your chances are of receiving an exchange confirmation.

VACATION PLANNING WITH THE TRAVEL DEMAND INDEX

To assist you in planning your next vacation — whether you are exchanging a resort week, or purchasing a Getaway, vacation package, or other travel products — Interval's Travel Demand Index will help you determine when the best opportunities for travel are likely to be available.

TRAVEL DEMAND INDEX

With the differences in worldwide travel patterns, it is often difficult to know when the best travel opportunities exist in a particular destination. The Travel Demand Index will help you make vacation plans by showing relative weekly inbound leisure demand for the market areas in this Directory.

When you place an exchange request or attempt to book any other travel reservation, the Travel Demand Index can serve as a useful guide by demonstrating the historical strength of demand in a given area during each week of the year.

HOW IT WAS DEVELOPED

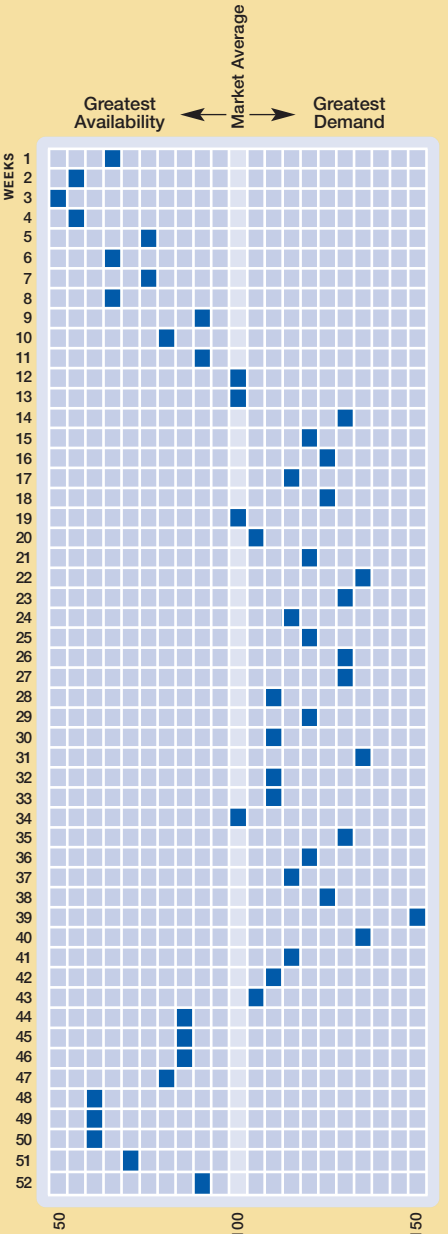

The Travel Demand Index reflects historical hotel and resort data on occupancy and average daily rates, supplemented by historical relinquishment and redemption data experienced by Interval's Quality Vacation Exchange Network. This information serves as a good indicator of the demand for accommodations and inbound leisure travel patterns in a given area, and will help you plan your vacation.

HOW IT WORKS

The Travel Demand Index consists of seasonal indexes presented on each of the region introduction pages in this Directory. They can also be found online at IntervalWorld.com. Each area in the region is assigned a numerical index for every week of the year, with 100 representing the average inbound leisure travel demand. The higher the figure is above 100, the greater the relative leisure travel demand for the area during that week. Numbers below 100 indicate periods when it may be easier to confirm exchange accommodations and less expensive to reserve other travel services.

The seasonal indexes reflect the cycles of leisure travel demand over the course of a year. For example, higher seasonal indexes in winter periods are typically observed in regions that are beachfront warm-weather locations or ski destinations. Some peaks are associated with tourist-drawing events that are held regularly during specific weeks. Of course, holidays, special events, and other highly desirable vacation periods typically have higher relative demand for leisure travel services such as accommodations, and higher rates within those specific weeks. And, floating holidays may occur during different weeks from one year to the next. In addition, in any given year, the actual demand patterns may deviate from historical trends due to severe weather disturbances and other unpredictable events.

SAMPLE TRAVEL DEMAND INDEX

HOW TO READ THE TRAVEL DEMAND INDEX

Use the Travel Demand Index when you are ready to plan your next vacation. It is a valuable and easy-to-use tool. Consider the seasonal index above for a typical market area. In this example, the index indicates that the best prices and availability historically are found during week 3. During week 39, prices will likely be higher than average and availabilities more limited.

AS THE QUALITY VACATION EXCHANGE NETWORK, Interval International has been renowned for its high standards for more than 35 years. Every resort that is affiliated must meet Interval's quality standards and provide the caliber of vacation experience that our members expect. Once they join our network, these resorts are reviewed regularly to ensure that they continue to meet our criteria.

In order to provide expanded qualitative information about the resorts in our network, Interval has a multi-tiered Resort Recognition program. Based on research, resort inspections, and your Vacation Evaluation forms, the program is a valuable vacation-planning tool that can help you choose resorts that meet or exceed your expectations.

THE CRITERIA

PricewaterhouseCoopers' U.S. Hospitality & Leisure Practice was engaged to assist Interval in the development of the program. The determination of the tiers incorporates refined recognition criteria, taking into consideration:

- Desirability of resort location
- Level of guest services
- Size, style, and decor of accommodations
- Condition and appearance of common areas
- Nature and scope of amenities
- Recent trends in vacation ownership products
- Extent and variety of recreational facilities
- The overall guest experience

The Resort Recognition Awards are reviewed annually by Interval International. Feedback from regular property inspections and your Vacation Evaluations remain important considerations in this review.

THE TIERS

By meeting our already-high affiliation standards and being accepted into our network, all of Interval's member resorts are recognized for their quality. Those recognized as Interval International Select Resorts and Interval International Premier Resorts exceed our affiliation requirements.

INTERVAL INTERNATIONAL SELECT RESORTS provide a great vacation experience, and are distinguished by a comfortable and homelike atmosphere. As such, they are identified by the pineapple, a centuries-old symbol of hospitality, welcome, friendliness, and warmth.

Within this level of recognition, Select Boutique Resorts provide a great vacation experience, with comfortable, homelike accommodations in desirable locations, and limited on-site amenities.

INTERVAL INTERNATIONAL PREMIER RESORTS, which debuted as the highest level of recognition, provide an outstanding vacation experience, with state-of-the-art conveniences, and modern features and appointments. They are identified by the laurel, a symbol of distinction, high standards, and status.

Within the highest level of recognition, Premier Boutique Resorts provide an outstanding vacation experience, with excellent accommodations in desirable locations, and limited on-site amenities.

SEE IT AT INTERVALWORLD.COM

The Resort Recognition program is available for viewing in the online Resort Directory at IntervalWorld.com. Select Resorts and Premier Resorts are identified by their respective silver and gold icons, providing you with an easy reference point as you search for exchange and Getaway accommodations. Look for these icons at IntervalWorld.com.

It is with great pride that we recognize the Interval International Premier and Select Resorts in our exchange network. We're confident that you will find this resource to be helpful in planning your vacations.

With resorts on six continents, Interval offers members a dazzling array of vacation choices. And, our user-friendly exchange methods and member benefits help you take advantage of these travel opportunities and more.

In an ongoing effort to provide you with vacation flexibility, Interval continually enters into agreements with various types of shared-ownership properties. In addition to traditional timeshare resorts, Interval has affiliated with fractional resorts, condo-hotels, and all-inclusive resorts. Here, we highlight the benefits of staying at an all-inclusive resort:

CONVENIENCE

A week at an all-inclusive resort begins the same way as other vacations: After arriving from the airport, you check in and unpack. But once you settle in, you will be ready to enjoy a hassle-free week — one that sets a stay at an all-inclusive resort apart from other vacations. In fact, if you are so inclined, you will not even have to leave the premises until the return trip to the airport. Nearly everything you need is part of the package, including accommodations and three meals a day (often, with a variety of restaurants from which to choose).

VALUE

Just as importantly, almost everything you want is also included. A typical package covers alcoholic beverages, as well as many recreational activities. For example, a resort in the Caribbean might include scuba diving, sailing, windsurfing, golf, tennis, and access to a fitness facility. Some have special activities for children, including video games, sports, and arts and crafts. Whether you go to the Caribbean, Central America, or Europe, a vacation at an all-inclusive resort is so self-contained, so worry-free, so, well, *inclusive*, you will spend less time wondering, *What is this going to cost me?* and more time thinking, *Ah, this is the life!*

Interval's resort network features dozens of all-inclusive resorts; some require the purchase of an all-inclusive plan, while others make the plan optional. In either case, the fee is payable to the resort, and is in addition to payment of the requisite Interval International exchange or Getaway fee.

Almost everything you want is included. A typical package covers alcoholic beverages, as well as many recreational activities.

IF YOU'RE INTERESTED in a vacation at an Interval-affiliated all-inclusive resort, look for the symbol ⊕ in this *Resort Directory* and at IntervalWorld.com. It signifies resorts that **require** the purchase of a meal plan payable to the resort. You will be advised of the charges when you request an exchange or Getaway.

FOR MARRIOTT VACATION CLUB OWNERS

There are two steps to exchanging your week:

■ Contact Marriott Vacation Club Owner Services to reserve a week within the season you own at your home resort. It is necessary to have a reserved week prior to beginning the exchange process.

(Note: If you have a lock-off option, this is when you will choose to either lock-off to exchange a smaller portion of your villa, or to exchange your full villa.)

■ Once your home resort week is reserved, contact Interval International's Marriott vacation advisors to begin the exchange process.

CHOOSING THE EXCHANGE METHOD THAT IS RIGHT FOR YOU

■ Use **Deposit First** when you do not wish to occupy your reserved home resort week. You may deposit your week up to one year prior to the check-in date at your home resort. Then you may request an exchange as soon as your home resort week is deposited. Your exchange travel must be completed within two years of the occupancy dates of the week you deposited. This method provides up to a three-year travel window.

■ **Request First** is the method to use when you would like to use your home resort week if Interval International is not able to fulfill your exchange request. This method gives you the security of retaining your home resort reservation until the confirmation is received. You may request to travel up to the check-in date of your reserved home resort week. This method provides up to a one-year travel window.

■ **Special Marriott Internal Exchange** is the method when you are requesting other Marriott Vacation Club resorts exclusively (placing an Internal Exchange request), and you would like to combine the security of the Request First exchange method with the flexibility of requesting an exchange after your home resort reservation. This method allows you to retain your home resort reservation until a confirmation is received, *and* you may request to travel up to one year after your reservation. Please note that at the time of your request, you must select one of the following options in the event Interval International is not able to confirm your exchange request 75 days prior to your home resort reservation:

1. Interval International returns your home resort week, cancels the request, and refunds your exchange fee.

2. Interval International deposits your home resort week as a Deposit First and continues to search for a match.

TYPES OF EXCHANGE

■ **Internal Exchange:** When you request to exchange exclusively to other Marriott Vacation Club resorts, you are requesting an Internal Exchange. If you own Marriott Vacation Club weeks that are enrolled with the Marriott Vacation Club Destinations program, the exchange fee for Internal Exchange requests is included with your Club Dues. Owners of Marriott Vacation Club weeks who are not enrolled in the Marriott Vacation Club Destinations program must pay an Internal Exchange fee for each week exchanged.

■ **External Exchange:** When you choose a non–Marriott Vacation Club resort, or a combination of Marriott and non-Marriott resorts, you are requesting an External Exchange. Owners will pay an External Exchange fee per week exchanged. The amount of the External Exchange fee varies based on the country in which your desired destination is located.

EXCHANGE PRIORITY

Weeks relinquished by Marriott Vacation Club Owners will be offered to other Marriott Vacation Club Owners requesting a comparable Internal Exchange before becoming available to other Interval International members. All exchanges take place using a system of comparable exchanges, which are based on the following factors:

■ Supply of and demand for the vacation weeks being requested and being relinquished within the exchange program. (Refer to each geographical region's Travel Demand Index, located in this Directory and at IntervalWorld.com.)

■ Quality and location of resort

■ Time of year

TIPS FOR INCREASING YOUR CONFIRMATION OPPORTUNITIES

1. If, at the time of your call or Web search, Interval International is unable to provide what you are looking for, please allow the system to work in your favor by placing a vacation exchange request with a minimum of three different resorts and at least one time period, one resort and three time periods, or two resorts and two time periods.

2. Your objective when placing a vacation exchange request is to receive an automatic match. Optimize your chances by providing as many options in your vacation exchange request as you are comfortable accepting.

3. Request a week with seasonal demand comparable to that of your deposited week (refer to each region's Travel Demand Index).

4. Request a week well in advance.

5. Accept smaller accommodation than the villa you deposited. For example, if you deposit a villa that sleeps six people and your traveling party consists of four people, consider accepting an exchange unit that sleeps four people.

■ Private sleeping capacity of the villa

■ Date the home resort week is relinquished

■ Date the request is placed

When Marriott Vacation Club Owners are competing for the same week(s) and these factors are comparable, Owners requesting an exchange to their home resort will receive priority over other Owners who do not own at that resort.

Thank you for understanding that reservation requests can only be accepted from Owners whose accounts remain current. Please pay any outstanding charges prior to making your reservation.

Marriott Vacation Club and Interval International guidelines are subject to change. Members will be provided written notice of any changes.

FOR MARRIOTT VACATION CLUB POINTS OWNERS AND ENROLLED OWNERS

■ As a Vacation Club Points Owner or Enrolled Owner, you may redeem Vacation Club Points for a seven-night vacation at hundreds of resorts outside of the Marriott Vacation Club Collection. As our exchange partner, Interval International facilitates all exchanges outside of the Marriott Vacation Club Collection.

■ The number of Vacation Club Points required will vary depending on your desired vacation location, seasonal demand, and desired villa size. To determine the seasonal demand of your desired vacation resort, refer to the Travel Demand Index located in this Directory at the beginning of each geographical region, and at IntervalWorld.com.

■ Once you have reviewed the Travel Demand Index value for your desired vacation time frame, you can find out how many Vacation Club Points your exchange will require by referring to the points valuation chart below:

TRAVEL DEMAND INDEX (TDI)–BASED EXCHANGE VALUES

FULL-WEEK EXCHANGE VALUES

	TDI RANGE	STUDIO	1-BEDROOM	2-BEDROOM	3-BEDROOM	4-BEDROOM
PEAK	140 – 150	2,250	3,000	4,500	6,000	7,000
HIGH	115 – 135	1,750	2,750	4,000	5,000	6,000
MEDIUM	90 – 110	1,500	2,250	3,000	4,000	5,000
LOW	50 – 85	1,000	1,500	2,250	3,000	4,000

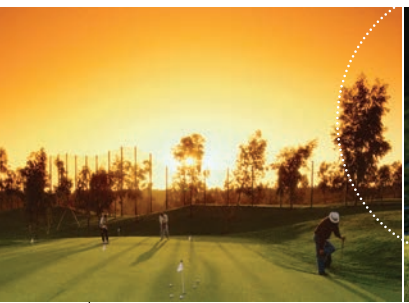

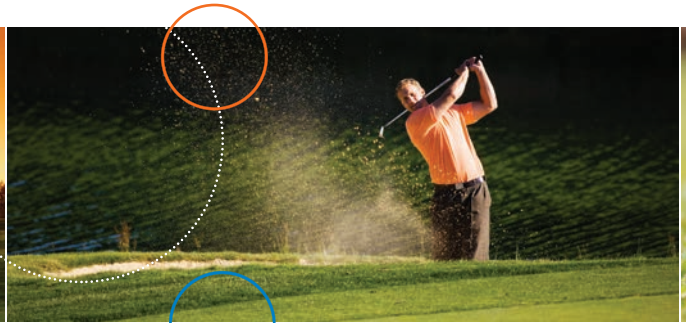

■ Visit IntervalWorld.com or call your vacation advisors for assistance with using your Vacation Club Points to confirm an exchange or to place a request with Interval.

■ Please note that when you are requesting an External Exchange (to a non–Marriott Vacation Club resort), exchange fees for each week requested are not included in your Club Dues and must be paid at the time the exchange is confirmed or the request is placed. The amount of the External Exchange fee varies based on the country of your desired destination. If Interval International is not able to confirm your vacation, your Vacation Club Points will be returned to your account, and the External Exchange fee will be refunded.

■ For your best opportunity at confirming a vacation through Interval, request as many resorts and dates as you are willing to accept. You must request a minimum of three different resorts and at least one time period, one resort and three time periods or two resorts and two time periods. Also, place your exchange request as early as possible (at least one year in advance of your desired travel date).

EACH RESORT in the Interval International Golf Resort program provides Interval members with access to an on-site or nearby golf course, and a variety of the following privileges: greens fees typically discounted by 20 percent, a minimum resort accommodations rental discount of 15 percent, advance tee-time reservations, and other special discounts on golf lessons, cart rentals, and more.

Participating resorts are listed below and are identified elsewhere in this *Resort Directory* by a Golf Resort emblem . Refer to the page numbers below to find the resort's feature. For more information or to request an exchange, contact an Interval International vacation advisor. You can also call the resort directly for details.

GETAWAYS One of the most popular benefits of Interval International membership, Getaways are a tremendous value. The affordable prices — on which **Interval Gold members automatically receive $25 off, and Interval Platinum members take $50 off** — allow you and your family to take more vacations for less.

WHY ARE GETAWAYS SO GREAT?

■ Members love the comfort and convenience of resort accommodations — which often include a full kitchen, spacious living areas, and numerous amenities.

■ The prices — likely to be cheaper than a few nights at a hotel — make Getaways a great bargain for an entire week or even just a long weekend.

■ Interval Gold members take $25 off the already-low prices of Getaways, and Interval Platinum members get a $50 discount.

■ All new members take $25 off all Getaways in their first year of membership.

■ Many Getaways are available up to one year in advance of the date you want to travel. Or, for spontaneous vacations, some can be purchased just 24 hours before departure.

WHERE CAN I GET AWAY TO?

■ Destinations worldwide. Interval International acquires many vacation weeks — at member resorts as well as resorts outside our network — specifically for the Getaway program.

■ Whether you want to lounge on a beach in the Caribbean, take in the history of Europe, experience the cultures of Asia, or drive somewhere close to home, there's a Getaway that's perfect for you.

HOW CAN I FIND OUT WHAT'S AVAILABLE?

■ Sign in to IntervalWorld.com to search the most up-to-date selection of Getaways.

■ Download the free Interval International app to your iPhone, iPad, or Android and search for available Getaways from virtually anywhere.

■ Sign up for Interval's email updates at IntervalWorld.com. These will keep you informed of the latest availabilities and special offers.

■ Access the top 10 Getaway deals every day at IntervalWorld.com.

■ Getaway Guest Certificates can be purchased for your friends and family. They are free for Interval Platinum members.

■ Book Getaways on the go with the Interval International app. If what you're looking for isn't available, use the Getaway Alerts feature. Simply input a date range, choice of resorts and/or destinations, set the alert, and when it becomes available, your mobile device will let you know.

MORE BENEFITS OF MEMBERSHIP

INTERVAL COMMUNITY — With Interval Community, it's easy to share exchange tips, resort details, and travel recommendations with your fellow Interval members. And you can do it all in real time, from anywhere in the world. Sign in to IntervalWorld.com, click on the Community tab, create a screen name, and begin exploring.

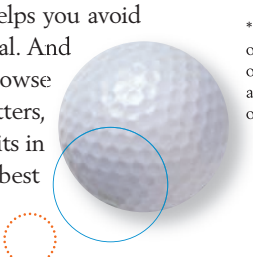

MAGAZINE SUBSCRIPTIONS AND DISCOUNTS — Interval partners with Condé Nast publications to bring you a very special offer. When you make a qualified transaction with Interval (exchange your week, purchase a Getaway, renew your membership, or upgrade to Interval Gold or Interval Platinum), a one-year subscription to your choice of *Condé Nast Traveler*, *Allure*, *Glamour*, *Golf Digest*, *Bon Appétit*, *Architectural Digest*, *GQ*, *Vanity Fair*, or *Vogue* is included ($12 value).* Condé Nast also offers Interval members exclusive discounts (up to 70 percent off the newsstand price) on all of its magazines for gifts or additional subscriptions. Visit IntervalWorld.com and go to Offers & Extras to see all of the popular titles available.

OFFERS & EXTRAS — Are you tired of fighting crowds at your local mall? Check out Offers & Extras at IntervalWorld.com, and get everything you need in one place, right from your home. Shop for clothes, luggage, shoes, and more — often at great discounts! Plus, you'll find excellent deals on vacations, travel extras, attractions, books, and financial services.

GOLF RESORT PROGRAM — Look for the symbol in this *Resort Directory* and at IntervalWorld.com. It signifies resorts that participate in Interval International's Golf Resort program, which includes properties that have an on-site 18-hole course — or are located near one — and offer Interval members special privileges, such as discounted greens fees and lessons, advance tee times, and more. Turn to page 18 for more information.

ATTRACTIONS, SIGHTSEEING, AND MORE — Plan ahead. Booking vacation activities before departure helps you avoid ticket lines and sold-out attractions after arrival. And IntervalWorld.com makes it easy. Sign in; browse hundreds of sightseeing tours, activity outfitters, attraction tickets, and other recreational pursuits in more than 80 countries for ideas on how to best spend your vacation time; then reserve online.

SPECIAL OPPORTUNITIES

GLOBAL EMERGENCY TRAVEL SERVICES — For one low price, you can receive a year's worth of emergency medical-evacuation protection for you and your family, whether you book your travel with Interval or not. You'll also receive 25 other vital travel benefits, including assistance with lost luggage or travel documents, emergency care for your pets, and medical or dental referrals while on your trip. Interval members save 60 percent off the regular price, and up to 80 percent for upgraded members. Go to the Benefits tab on IntervalWorld.com to learn more and to enroll.

GOLF ACCESS® — The directory of golf-related deals provides discounts of up to 50 percent on various fees at more than 2,000 courses, driving ranges, and resorts throughout the U.S. and certain international locations. And it's available to Interval members for only $19.95 — $14.95 for Interval Gold and Interval Platinum members. To purchase, go to IntervalWorld.com, or call 800.INTERVAL.

INTERVAL INTERNATIONAL VISA SIGNATURE® CARD WITH WORLDPOINTS® REWARDS — You earn great rewards fast with the Interval International Visa Signature card with WorldPoints rewards.** Use it and earn points on travel expenses, and on all of your other purchases. You'll earn one point for every retail dollar you spend. You can redeem your points for:

- Cash and gift cards
- Travel with no blackout dates
- Interval International membership fees or Interval Gold and Interval Platinum upgrades

For more details and to apply, visit IntervalWorld.com.

Interval International and its third-party service providers attempt to make available a wide variety of goods and services offered by the sellers of transportation, lodging, and entertainment. Where discounts are made available, whether these discounts represent prices below the actual general market price for these goods and services depends entirely on the pricing policies of the sellers. These same discounts may be available to groups or individuals other than Interval International members, depending on the policies of the particular seller of goods or services. Benefits are subject to change without notice.

*Offer good for U.S. subscribers only (no Canadian or overseas orders). Title selections are subject to change. If you have an existing subscription to the magazine you choose, then your existing subscription will be extended for an additional year. Offer is valid when the member conducts a qualified transaction, including new membership, membership renewals, and Interval Gold or Interval Platinum upgrades, and exchange or Getaway transactions. First issue will arrive in six to eight weeks. Only one annual subscription per year per member may be received. For full offer and refund details, visit IntervalWorld.com.

TRAVEL DEMAND INDEX

THE TRAVEL DEMAND INDEX makes it easy to plan the best times to travel. For example, if you want to visit the Hawaiian Islands, the best prices and availability will be during weeks 46, 48, and 49. During weeks 26 through 30, 51, and 52, you can expect prices to be higher than average and availabilities to be more limited.

Each resort listing includes the applicable Travel Demand Index chart number.

See Appendix for additional resorts.

TRAVEL DEMAND INDEX

38 Mexico, Baja and Northwestern Coast

57 Mexico, Southwestern Coast

72 Mexico, Other Areas

THE TRAVEL DEMAND INDEX makes it easy to plan the best times to travel. For example, if you want to visit Cancún, the best prices and availability will be during weeks 35 through 38. During weeks 5 through 7, 9 through 11, 51, and 52, you can expect prices to be higher than average and availabilities to be more limited.

Each resort listing includes the applicable Travel Demand Index chart number.

TRAVEL DEMAND INDEX

THE TRAVEL DEMAND INDEX makes it easy to plan the best times to travel. For example, if you want to visit mainland Portugal or Spain, the best prices and availability will be during weeks 1 through 4. During weeks 25 through 35, you can expect prices to be higher than average and availabilities to be more limited.

Each resort listing includes the applicable Travel Demand Index chart number.

TERMS AND CONDITIONS
OF INDIVIDUAL MEMBERSHIP AND EXCHANGE

INTERVAL INTERNATIONAL, INC.

Interval International, Inc. ("II") is a Florida corporation offering an exchange service for use by its Members, and in certain circumstances, other travel and leisure benefits (the "Exchange Program"). II is a wholly owned subsidiary of Interval Holdings, Inc., a Delaware corporation. II's principal office is at 6262 Sunset Drive, Miami, Florida 33143; 305-666-1861. The obligations of II, pursuant to these terms and conditions, may be performed by II, its authorized representatives, or designated licensees.

DEFINITIONS

1. "**Club Program Exchange Member**" means a MVCI Owner who enjoys benefits of the MVC Destinations Program through his or her execution of the requisite purchase agreement and payment of the applicable fee.
2. "**Club Program Manager**" means Marriott Resorts, Travel Company, Inc. d/b/a MVC Exchange Company, which is a wholly owned subsidiary of MORI.
3. "**Club Program Member**" is a collective term meaning any Club Program Trust Member or any Club Program Exchange Member of the MVC Destinations Program.
4. "**Club Program Trust Member**" means an owner of a Vacation Interest in a MVC Trust who is included in the MVC Destinations Program by virtue of such ownership.
5. "**Component Resort**" means any location containing accommodations at a site or resort that is part of the MVC Destinations Program or part of a vacation ownership program which affiliated with the MVC Destinations Program at which a Club Program Member may exercise occupancy rights directly through the MVC Destinations Program.
6. "**Confirmation**" means a written or electronic acknowledgment from II that a request for accommodations has been fulfilled.
7. "**Host Resort**" or "**Host Accommodations**" means the resort into which the Club Program Member has been issued a Confirmation (including Flexchange®, ShortStay Exchange®, and Getaway Confirmations, as well as E-Plus® retrades).
8. "**Individual Member**" means any MVCI Owner who is enrolled in the Exchange Program by MORI or otherwise, and who, by contract, agrees to be bound by the terms and conditions of II membership and exchange as amended from time to time. An Individual Member is said to be in good standing with II and/or MORI when the Individual Member is current in the payment of all fees or assessments prescribed by II or MORI and is in compliance with all II, MORI, and/or any MVCI Resort terms and conditions then in effect. The term "Individual Member" does not include any Club Program Member where he or she participates in the Exchange Program by virtue of the corporate membership in the Exchange Program maintained by MORI, as explained in Membership, Paragraph 1 below.
9. "**Interval Gold®**" and "**Interval Platinum®**" refer to the upgraded benefits packages available to Individual Members and Club Program Members in good standing upon their election and payment of the applicable Interval Gold or Interval Platinum membership upgrade fee. Interval Gold or Interval Platinum status provides such members with certain additional travel and leisure benefits not available through basic membership in the Exchange Program.
10. "**Member Resort**" means any resort or vacation club membership program for which a developer, or homeowners' association, or other third party has entered into a contract with II (including each of the Component Resorts and MVCI Resorts), pursuant to which accommodations and facilities may be made available to Club Program Members, Individual Members, and Other II Members, as well as any resort for which II provides exchange services directly to its owners.
11. "**MORI**" means Marriott Ownership Resorts, Inc., the developer of a MVC Trust and the majority of the MVCI Resorts.
12. "**MVCI Owner**" means a person who owns a Vacation Interest at a MVCI Resort, including, but not limited to, those persons owning a Vacation Interest in that certain vacation ownership program known as Marriott Vacation Club International ("MVCI") or that certain vacation ownership program operated by MORI or one of its affiliates in MORI's Asia Pacific timeshare plan, but does not include any such person, during the period for which he or she elects to participate as a Club Program Member, except where he or she maintains a Vacation Interest in a MVCI Resort, separate and apart from the Vacation Interest giving rise to his or her status as a corporate member of the Exchange Program.
13. "**MVCI Resort**" means a resort owned, operated, or managed by MORI or its affiliates under the brand name of MVCI or Grand Residences by Marriott.
14. "**Other II Member**" means a person, persons, or entity who owns a Vacation Interest at a Member Resort, excluding each Club Program Member and MVCI Owner, and, by participating in the Exchange Program, agrees to be bound by the terms and conditions of II membership and exchange.
15. "**Points**" means the symbolic currency utilized by the MVC Destinations Program to quantify the ownership, reservation, use, and/or other rights of a Club Program Member based upon the Club Program Member's Vacation Interest.
16. "**Suspension**" or "**Suspended**" means that a Member Resort is not in compliance with an II affiliation agreement, II's policies and procedures, or is not otherwise in good standing with II. While a Member Resort is suspended, processing of new memberships, membership renewals, and exchange deposits and requests may be temporarily halted.
17. "**TDI**" or "**Travel Demand Index**" means the seasonal indices that are updated periodically to reflect the cycles of relative weekly demand for a specific geographic area. The TDI is a vacation-planning tool offered by II to assist Members in determining which time periods offer the best opportunities for travel to a particular region and when accommodations are most likely to be available. The TDI is not an indication of the quality or desirability of vacationing in any specific resort, geographic area, or season, nor is it necessarily an indication of the availability of a particular week in the Exchange Program.
18. "**Vacation Interest**" means the possessory rights, occupancy rights, or usage rights in accommodations and related facilities for a period of time during any given year, and which rights extend for any period prescribed or allowed by applicable law for establishing a timeshare plan.
19. "**Week**" or "**Weeks**" means the time period for which a Club Program Member or Individual Member requests or, where applicable, relinquishes the usage of a unit and the amenities and facilities of a vacation ownership resort.

Club Program Members should consult the MVC Destinations Program Public Offering Statement and Reservation Procedures documentation for information, details, and explanations of Points values and requirements, the reservation and use of MVC Destinations Program accommodations and facilities, and other terms and conditions regarding the MVC Destinations Program. II is not responsible for fulfilling any such terms and conditions, nor does II have any control over such terms and conditions. All information contained in these Terms and Conditions regarding the Points and all matters related thereto have been established by MORI and are subject to change by MORI.

THE TERMS AND CONDITIONS SET FORTH HEREIN ARE DIFFERENT FROM II'S STANDARD TERMS AND CONDITIONS OF INDIVIDUAL MEMBERSHIP AND EXCHANGE FOR OTHER II MEMBERS. THE TERMS AND CONDITIONS SET FORTH HEREIN HAVE BEEN SPECIALLY AGREED UPON BY MORI AND II FOR OBTAINING RESORT ACCOMMODATIONS THROUGH THE EXCHANGE PROGRAM. THEREFORE, WHEN PLACING A REQUEST FOR ACCOMMODATIONS WITH II, YOU SHOULD REFER TO THESE TERMS AND CONDITIONS AND NOT THE STANDARD TERMS AND CONDITIONS THAT ARE SET FORTH IN OTHER II PUBLICATIONS FOR OTHER II MEMBERS. IN THE EVENT OF A CONFLICT BETWEEN THESE TERMS AND CONDITIONS AND SUCH OTHER STANDARD TERMS AND CONDITIONS, THESE TERMS AND CONDITIONS SHALL PREVAIL.

MEMBERSHIP

1. MORI provides a corporate membership in the Exchange Program, and each Club Program Member derives II membership benefits and exchange privileges through such corporate membership.
2. MORI enrolls each Club Program Trust Member in the Exchange Program upon his or her purchase of a Vacation Interest in a MVC Trust. In subsequent years, MORI arranges for the II corporate membership renewal for each Club Program Trust Member.
3. **Neither MORI nor any developer of any Member Resort is an agent for or a joint venturer with II. II does not sell, lease, or otherwise convey an interest in any real property. Neither II nor any of its officers or directors has any legal or beneficial interest in MORI or any developer or seller of any resort participating in the Exchange Program. II, through its subsidiaries, Trading Places International, LLC and its subsidiary TPI Management – Canada Inc. (collectively, "TPI"), and Vacation Resorts International and its subsidiary, Owners' Resorts and Exchange, Inc. (collectively, "VRI"), manages a limited number of the Member Resorts participating in the Exchange Program.**
4. MORI enrolls each Club Program Exchange Member upon his or her election to participate in the MVC Destinations Program; provided, however, where such person is an Individual Member at the time of such election and, pursuant to such membership, has a deposited week, placed a pending

exchange request, or been issued a Confirmation, he or she will be required to maintain his or her Individual Membership until such deposit is redeemed and confirmed, or the deposit expires, the request is canceled or confirmed, and the confirmed travel has been canceled or completed. In subsequent years, MORI arranges for the II corporate membership renewal for each Club Program Exchange Member for so long as he or she elects to participate in the MVC Destinations Program.

5. As it relates to Individual Members, MORI arranges for initial membership in II for the purchasers of Vacation Interests at MVCI Resorts. Individual Membership commences upon II's receipt and processing of each purchaser's membership application and applicable membership fee. In subsequent years, Individual Members are generally billed directly by II; and membership renewal in the Exchange Program is voluntary for Individual Members.

6. Each purchaser's membership application and the terms and conditions contained and referenced therein and herein are such purchaser's contract with II, which is a separate and distinct contract from the contract with the developer or seller of the Vacation Interest.

7. At all times, participation in the Exchange Program by Club Program Members is voluntary. That is, Club Program and Individual Members are not required to use the exchange benefit or any other benefits provided through the Exchange Program.

8. **Membership benefits, including but not limited to, participation in Special Exchange Services and various incentive programs will be provided to Club Program Members and Individual Members so long as the Club Program Member, Individual Member, MORI, the MVC Destinations Program, and its MVCI Resorts are in good standing with II.** Additionally, each Club Program Member and Individual Member must be current on the payment of his/her mortgage, maintenance fees and taxes, any other owner association–approved fees, and all applicable MVC Destinations Program dues. The failure of the MVC Destinations Program or the MVCI Resorts to maintain II's standards of service, appearance, management, and operation; or the failure to timely renovate or construct vacation accommodations and/or amenities participating in, or committed to participating in, the Exchange Program; or failure of MORI or the MVC Destinations Program to remain in good standing with II (e.g., failure to comply with contractual obligations, including the obligation to enroll purchasers and remit fees, the failure to honor Confirmations, and/or the failure to otherwise comply with II policies and procedures) may result in suspension or termination of the affiliation of the MVC Trust, the MVC Destinations Program, and/or one or more of the MVCI Resorts with II. **The suspension or termination of MORI, the MVC Trust, the MVC Destinations Program, or any of the MVCI Resorts from the Exchange Program may result in the loss of some or all of the Club Program Members' or Individual Members, II benefits, including the exchange privilege.**

9. II membership benefits, other than the exchange privilege, including certain Interval Gold and Interval Platinum benefits, where applicable, are subject to separate terms and conditions. Said benefits, their providers, and their terms of use may be changed, substituted, or eliminated without prior notice. Where benefits are provided by independent third parties, II expressly disclaims responsibility for the acts or omissions of any persons or entities providing such benefits.

10. **Representations concerning Club Program Members' and Individual Members' access to and participation in the Exchange Program are limited to materials supplied or otherwise approved by II in writing. All other representations are not valid or binding on II.**

11. Not all Member Resorts are included in the *Interval International Resort Directory*. The failure to picture a Member Resort in the *Resort Directory*, however, does not necessarily mean that such Member Resort is not in good standing with II, or that its associated Club Program Members or Individual Members are not entitled to use the exchange privilege. Likewise, the inclusion of a Member Resort in the *Resort Directory* does not necessarily mean that such Member Resort is in good standing with II, or that its associated Club Program Members or Individual Members are entitled to use the exchange privilege. All reasonable efforts are made to ensure that published resort information is accurate. II, however, expressly disclaims liability in the event of omission or error.

12. Club Program Members and Individual Members acknowledge that:

(a) Resort facilities, amenities, and services vary by country, location, and resort, and room accommodations vary in size, decor, and interior detail.

(b) The description and amenities symbols provided in the *Resort Directory* for each Member Resort are representative of the features generally available at such Member Resort. However, unit amenities and views may vary from unit to unit within a Member Resort, and II cannot guarantee specific selection of any such elements with respect to the Host Accommodations, or that all amenities will be available during any specific period of occupancy. Each Club Program Member or Individual Member should review the Confirmation for specific information about his or her Host Accommodations.

(c) The exchange privilege should not be the primary reason for purchasing a Vacation Interest, and the relative demand indicated in a Travel Demand Index and assigned to any particular week should not be relied upon in determining the value of that week.

(d) II is not liable for any damage to or loss or theft of personal property left in any MVCI Resort accommodations that occurs through the use of the Exchange Program; nor is II liable for any damage to or loss or theft of personal property that occurs through the use of Host Accommodations by a Club Program Member or an Individual Member. II is not liable for any personal or bodily injury that occurs at any Member Resort.

(e) II is not liable or responsible for any claim or loss incurred in connection with the purchase or ownership of a Vacation Interest in the MVC Destinations Program or at a Member Resort.

(f) Upon each use of the Exchange Program, and to the extent allowed by applicable law, any and all claims against II are waived, and II is released from all liability, if any, arising out of participation that occurred prior to the use of same.

(g) II's liability, if any, in connection with a Club Program Member's or an Individual Member's participation in the Exchange Program is limited to the annual membership fees received by II from or on behalf of such member and exchange fees paid to II by such member.

(h) All rules and regulations of the Host Resort, as well as these terms and conditions, must be adhered to. Violation of such rules or these terms and conditions may result in loss of present and future occupancy rights at the Host Resort and/or the cancellation of membership without further obligation by II.

(i) If a Vacation Interest is owned by a corporation, partnership, or trust, a corporate officer, partner, trustee, or other properly designated person must be established as the primary contact or administrator to manage the membership.

(j) Where multiple individuals are listed in a single membership record as the owners of a Vacation Interest(s), one individual and such individual's contact information must be designated as the primary contact where all member materials, Confirmations, and communications will be sent. Contact information may also be included for all other owners. In order to be associated to a single membership record, each contact's information must reference the same country of residence. II may continue to provide membership and exchange benefits for all owners listed until II receives verifiable documentation of any change of ownership of the Vacation Interest(s).

(k) **Membership in II may be used only for personal and noncommercial purposes. Any other use of membership benefits may result in the suspension or termination of a Member's privileges, as well as any existing Confirmations and loss of fees associated with all II memberships and Confirmations held by such Member.**

(l) To the extent allowed by applicable law, telephone conversations between Club Program Members or Individual Members and II employees or representatives may be recorded and/or monitored.

(m) If II should fail or be delayed or impaired in the performance of any obligation hereunder, including, but not limited to, providing exchange accommodations, due to causes beyond the control of and without the fault or negligence of II, then II shall be excused from further performance. Such causes may include, but are not limited to, acts of God or public enemy, fire, strikes, lock-out or other labor unrest, riot, explosion, civil disobedience, declared or undeclared war, revolution, insurrection, boycotts, acts of piracy, acts of terrorism, acts of public authorities, blockade, embargo, accident, epidemic or quarantine, labor shortages based on pandemics or widespread illness within a given servicing location, delays or defaults caused by public or common carriers, and/or other circumstances materially impacting travel to a particular geographic region or in general.

(n) II is prohibited from doing business with certain entities, and individuals residing in certain nationally sanctioned countries or otherwise, set forth from time to time on any list maintained by the U.S. Department of the Treasury's Office of Foreign Assets Control (collectively, "Blocked Parties"). If II receives an enrollment or renewal membership fee for a Club Program Member or Individual Member defined as a Blocked Party, II will refuse membership for such purchaser. If a Club Program Member or Individual Member subsequently becomes or is determined to be a Blocked Party, II will cancel the membership without refund or further obligation.

13. Club Program Members and Individual Members acknowledge and agree, to the extent allowed by applicable law, that II and/or MORI may offer various products and services relating to individual membership benefits, including exchange and travel-related benefits, through telemarketing programs, and Club Program Members and Individual Members consent to such telephonic solicitation including, but not limited to, solicitations through automatic dialing equipment, predictive dialing equipment, and/or

prerecorded messages. If any telephone number provided by a Club Program Member or Individual Member as part of his or her membership record is a cellular telephone number, such member expressly consents to II's use of such cellular telephone number for all purposes and methods as set forth herein.

14. Club Program Members and Individual Members acknowledge and agree that, to the extent allowed by applicable law, II and/or MORI may upon occasion offer various products and services relating to individual membership benefits, including exchange and travel-related benefits through electronic messaging, and Club Program Members and Individual Members consent to such electronic solicitation.

15. The terms and conditions of membership with II and use of the Exchange Program shall be construed under the laws of the State of Florida. By maintaining membership in II, Club Program Members and Individual Members consent to the exclusive subject matter and personal jurisdiction of the courts in Miami-Dade County, Florida. In the event of litigation between the parties, the prevailing party shall be entitled to all costs incurred, including reasonable attorneys' fees.

16. These Terms and Conditions of Individual Membership and Exchange, including any fees associated therewith, may be changed by II at its sole discretion. Except where expressly noted otherwise, Club Program Members and Individual Members will be advised of any such changes through II's regular publications or through II's website, IntervalWorld.com.

Points-Based Exchange Method (applicable to all Club Program Trust Members and those Club Program Exchange Members choosing to continue to receive their exchange benefits based on the relinquishment of Points)

1. **These Club Program Members utilize an exchange method, often referred to as Request First, whereby they do not give up their Points until an exchange has been confirmed.**

2. **Other than exchanges made through the Flexchange program, exchange requests must be received by II at least 60 days in advance of the commencement date of the week requested.** An exchange fee, plus the applicable tax, is required when placing an exchange request for a Member Resort, other than a MVCI Resort.

3. Points

(a) **For a Confirmation to be issued, the following Points are required based on the exchange accommodations being requested:**

When a Club Program Member places an exchange request, Points required for the highest-valued accommodations are placed on hold in such Club Program Member's Points account and will not be available for use within the MVC Destinations Program or otherwise during the pendency of such exchange request.

(b) Once a Confirmation has been issued, the Club Program Member will be deemed to have used the number of his or her Points applicable to such Confirmation and such Points will no longer be available to that Club Program Member, unless the Confirmation is canceled in accordance with II's Exchange Cancellation Policy, as described below in General Exchange Procedures and Priorities, Paragraph 9.

(c) Where a given exchange request is not confirmed, the Points will be released to the Club Program Member's account.

4. Use of the Deposit First method, as explained in more detail in Week-Based Exchange Method, Paragraph 3 below, is not available to Club Program Members relinquishing Points, as II does not currently accept the deposit of Points.

Week-Based Exchange Method (applicable to Individual Members as well as those Club Program Exchange Members who choose to continue to receive exchange benefits from II based on the relinquishment of a Week). Where such Club Program Members or Individual Members own a "floating" Vacation Interest, they must first secure a specific Week for a specific type of unit at their MVCI Resort prior to submitting an exchange request. The reservation information must then be submitted to II by MVCI.

1. Club Program Exchange Members seeking an exchange based on the relinquishment of a Week(s) and Individual Members may utilize the Request First method described above, whereby they do not give up the right to occupy their Week until such time as a Confirmation has been issued. Upon Confirmation, however, all rights to the use of the relinquished Week(s) are immediately assigned to II.

2. **Other than exchanges made through the Flexchange program, exchange requests must be received by II at least 60 days in advance of the commencement date of the Week requested. An exchange fee, plus any applicable tax, is required when placing an exchange request.**

3. As an alternative, these Club Program Exchange Members and Individual Members may also utilize the Deposit First method, whereby they deposit the use and occupancy of their Week with II. **When Weeks are deposited, all rights to their use are immediately assigned to II. Once a deposit is made, the deposited Week may not be withdrawn.** Submission or confirmation of an exchange request is not required in order for II to issue a Confirmation into a deposited Week or otherwise utilize such deposited Week.

4. Under the Deposit First method, deposits must be received by II at least 60 days, but no more than 12 months, before the commencement date of the deposited Week. Flex Deposits (received by II from 59 days up until 14 days before the commencement date of the Week being deposited) also are accepted, but any exchange request placed using the Flex Deposit must be made through the Flexchange exchange service.

5. No fee is required to deposit vacation accommodations. An exchange fee, however, is required when placing an exchange request against the deposited accommodations.

6. **Upon receipt of a deposit, II will assign a deposit number which must be utilized when placing an exchange request. An exchange may be requested for the same amount of time as that deposited, except where the applicable Club Program Exchange Member or Individual Member is requesting a ShortStay Exchange, as discussed in more detail below in General Exchange Procedures and Priorities, Paragraph 5. The exchange request may be placed at the same time that the deposit is made or at any time after receipt of the deposit number, but no later than 24 months after the commencement date of the deposited week unless the Club Program Exchange Member or Individual Member chooses the Deposit Extension Option, as defined in Paragraph 7 immediately below. In addition, the requested travel dates must be no earlier than 12 months before and no later than 24 months after the commencement date of the deposited Week. Requests may not be submitted more than 24 months prior to the commencement date of the Week requested.** All normal exchange procedures (as detailed below) must be adhered to when placing a request against the deposited Week. If a Flex Deposit was made, a request may be submitted only through the Flexchange service with travel dates no later than 24 months after the commencement date of the deposited Week.

7. By using the Deposit Extension Option, Club Program Exchange Members and Individual Members may, upon the payment of an additional fee, extend the period in which they can request an exchange based on a particular deposited week ("Redemption Window") for a period of up to one year. II reserves the right to limit the number of times a particular deposit may be extended. The Deposit Extension Option must be exercised within three months of the date on which the original Redemption Window expired. The extension begins on the date on which the original Redemption Window expired. An exchange request placed within an extended Redemption Window must be placed through II's Flexchange service. **The Deposit Extension Option may not be used to extend an E-Plus Usage Window or a retrade of a Confirmation using E-Plus, or to extend the period within which Club Program Exchange Members and Individual Members may request substitute accommodations pursuant to II's Exchange Cancellation Policy, or the period within which Club Program Exchange Members and Individual Members may request accommodations pursuant to the redemption of an accommodations certificate. All other terms and conditions of exchange apply to this special service, except where expressly noted to the contrary.**

8. The Exchange Program is based upon the "Comparable Exchange" concept. Comparable Exchange attempts to parallel, to the greatest extent possible, the supply of and demand for the Week relinquished with the demand/supply for the Week being requested in exchange. Comparable Exchange also attempts to ensure that Club Program Exchange Members and Individual Members relinquishing a Week to the Exchange Program are confirmed, whenever possible, to resorts that are comparable in quality to the Week relinquished.

9. **II, therefore, in order to achieve its goal of providing the Club Program Exchange Member or Individual Member with an exchange experience comparable to that which the Week relinquished provides, assigns a priority to each request based on the following factors:**

(a) **The supply of and demand for, within the Exchange Program, the Week deposited or being offered in exchange and the Home Resort.**

(b) **The supply of and demand for, within the Exchange Program, the Week and Member Resort being requested in exchange.**

(c) **The quality, facilities, and overall experience offered by the Home Resort as compared to the quality, facilities, and overall experience of the Member Resort being requested in exchange. This is based on evaluation forms received from exchange guests to such Member Resort, resort inspections and evaluations, and other information received by II regarding the resort.**

(d) **When the exchange request is received by II. The earlier of two identical requests for the same vacation Week with identical relinquishment will receive priority.**

(e) **The amount of time prior to the first date of occupancy that the relinquished Week is provided to II.**

(f) **The unit type and private sleeping capacity being relinquished as compared to the unit type and private sleeping capacity being requested.** The priority established for exchange requests is based on the number of persons that the deposited or to-be-relinquished accommodations will accommodate privately. The number of persons accommodated privately is generally determined on the basis of two people per private sleeping area having access to a bathroom. Such bathroom access must not interfere with the privacy of the people who occupy the unit's other private sleeping areas.

All of the above factors, with the exceptions of when a Club Program Exchange Member or Individual Member relinquished his or her Week, when a request is received, and the unit size and configuration of the Week relinquished and requested, are constantly changing and are updated by II on an ongoing basis.

10. Individual Members may be restricted from exchanging into resorts located within the same geographical area as the accommodations being deposited or relinquished. There are currently restrictions in Aruba; Barbados; Cabo San Lucas, Mexico; Cancún, Mexico; Cyprus; Dominican Republic; Door County, Wisconsin; Eastern British Columbia, Canada; Gatlinburg/Pigeon Forge, Tennessee; Grand Bahama Island; Grand Cayman Island; Guatemala; Hawaii (the Big Island); Maui, Hawaii; Kauai, Hawaii; Hilton Head, South Carolina; Lake Tahoe, California; Las Vegas, Nevada; Madeira, Portugal; Malta; Marco Island, Florida; Mazatlán, Mexico; Naples, Florida; Okaloosa/Walton County, Florida; Orlando/Kissimmee, Florida; Palm Desert, California; Palm Springs, California; Phuket, Thailand; Puerto Vallarta, Mexico; Riviera Maya, Mexico; Riviera Nayarit, Mexico; St. Maarten; Stateline, Nevada; Summit County, Colorado; Virginia Beach, Virginia; and Williamsburg, Virginia. Generally, this restriction does not apply to Club Program Exchange Members or Individual Members requesting an exchange to a MVCI Resort or another Member Resort under common ownership or management with the MVCI Resorts, pursuant to the Section titled Marriott Vacation Club Internal Exchange Procedures and Priorities below. Additional geographic areas may be restricted in the future. Club Program Exchange Members and Individual Members affected by any future restrictions will be advised via II's regular publications.

11. Club Program Exchange Members seeking an exchange based on the relinquishment of a Week(s) and Individual Members may request to travel with a number of people equal to the maximum occupancy of the Week deposited or to be relinquished, provided that the number of people traveling does not exceed the standard traveling party size applicable to such accommodations. The standard traveling party size associated with each unit type is as follows: hotel, studio, or efficiency unit — two persons; one-bedroom unit — four persons; two-bedroom unit — six persons; three-bedroom unit — eight persons, and four-bedroom unit — 10 persons.

12. Confirmations may be made into any unit that will accommodate the number of people in the Club Program Exchange Member's or Individual Member's traveling party, even where the accommodations deposited or relinquished can accommodate a greater number of people. For example, if a Club Program Exchange Member or Individual Member relinquishes a two-bedroom unit that accommodates six people, but is traveling with only four people, he or she may be confirmed into either a two-bedroom or one-bedroom unit. In all instances, exchange opportunities are enhanced by accepting any unit that will accommodate the number of people traveling.

GENERAL EXCHANGE PROCEDURES AND PRIORITIES

1. **To utilize the exchange privilege, pursuant to these terms and conditions, including Special Exchange Services, Club Program Members and Individual Members must be in good standing with II, MORI, and, as it relates to the Club Program Members, the MVC Destinations Program from the time a deposit is made and/or a request is placed through the actual requested and/or confirmed travel dates and/or, in the case of a Club Program Exchange Member choosing to continue to receive his or her exchange benefits based on the relinquishment of a Week(s), and all Individual Members, the commencement date of the Week deposited (whichever occurs later). Further, MORI and the MVC Destinations Program must be in good standing with II.**

2. All regular exchange requests must be received by II at least 60 days in advance of the commencement date of the earliest Week requested. For exchange requests made less than 60 days prior to the travel date requested, Flexchange is a service in which vacation exchange requests may be submitted from 59 days up until 24 hours in advance of the travel dates desired. Available Host Accommodations for the date requested will be offered, and a Confirmation will be instantly issued if one of the availabilities is accepted at the time of the offer. Holiday, summer, and other highly demanded weeks usually are not available through Flexchange.

3. Once an exchange request is submitted, it may be canceled only if notice of cancellation is received by II prior to Confirmation of the request. Once issued, a Confirmation may be canceled only in accordance with II's Exchange Cancellation Policy, as described in Paragraph 8 below.

4. To submit a valid exchange request, a minimum of three different resorts and one time period, three different time periods and one resort, or two different resorts and two different time periods must be requested. Club Program Members and Individual Members may be confirmed into any resort or time period requested.

5. ShortStay Exchange ("ShortStay Exchange") is an exchange service offered by II to members in good standing with the Interval Gold and Interval Platinum membership programs, in which, upon payment of the appropriate fee and any applicable tax, Club Program Members and Individual Members can be confirmed to resort accommodations for periods of less than seven days. A Club Program Member may relinquish Points or, in the case of a Club Program Exchange Member choosing to continue to receive his or her exchange benefits based on the relinquishment of a Week(s) as well as all Individual Members, a Week(s) may be relinquished to participate in a ShortStay Exchange. Club Program Exchange Members and Individual Members relinquishing a Week may secure up to two ShortStay Exchange Confirmations for resort accommodations of equal or lesser size than the Home Resort accommodations, while those Club Program Members relinquishing Points may confirm as many ShortStay Exchange Confirmations as their available Points will allow. A ShortStay Exchange Confirmation will not be issued until the availability of the Home Resort Week or required number of Points is verified. Holiday, summer, and other highly demanded travel periods usually will not be available through ShortStay Exchange. **II's Exchange Cancellation Policy does not apply to ShortStay Exchange Confirmations. A cancellation of a ShortStay Exchange Confirmation results in the loss of the Points or Week relinquished as well as the exchange fee paid to secure such Confirmation.** All other terms and conditions of the Exchange Program apply to this exchange service, except as noted to the contrary above.

6. **Exchanges are arranged on a space-available basis. Neither II, MORI, nor the MVC Destinations Program can guarantee the fulfillment of a specific request, as weeks are received on a periodic basis throughout the year.** Generally, II does not control the timing, location, or number of weeks available to the Exchange Program. Club Program Members and Individual Members may place requests for as many Confirmations as desired so long as the Club Program Member or Individual Member has the necessary Points or Week(s) available to support the requested exchanges.

7. Only II can confirm exchange requests, and only II written Confirmations are valid. II will attempt to confirm a request until 48 hours before the latest travel dates requested; however, beginning on the 29th day prior to the latest travel dates requested, II will contact the Club Program Member or Individual Member by telephone in order to obtain acceptance (or rejection) by the Club Program Member or Individual Member prior to issuing a Confirmation.

8. (a) For Individual Members who wish to change their Host Accommodations subsequent to receiving a Confirmation (including a Confirmation received through the Special Marriott Vacation Club Internal Exchange Option as defined below under Marriott Vacation Club Internal Exchange Procedures and Priorities), but without canceling their Confirmation, E-Plus is available to allow such Individual Members to "retrade" their original Confirmation, up to a total of three times, upon the payment of an additional fee. The use of E-Plus may be purchased at any time commencing at the time an exchange request is initially placed and continuing up to five (5) days following the issuance of a Confirmation, so long as the purchase is prior to the first date of occupancy of the Host Accommodations and the Host Resort is in good standing with II. E-Plus may be used to secure up to three (3) retrades of the Individual Member's Host Accommodations and/or

vacation periods, at any time up to 12 months after the first date of occupancy of the Host Accommodations of the original Confirmation (the "E-Plus Usage Window"). Once established, the E-Plus Usage Window does not change upon any subsequent retrade.

(b) When transacting an E-Plus retrade, the member may view available Host Accommodations, and an E-Plus retrade will be instantly issued if the desired accommodations are available at the time the retrade is initiated. Retrade requests may be made online or by telephone.

(c) (i) When the Individual Member transacts an E-Plus retrade 60 days or more from the first date of occupancy of the original Confirmation or, if applicable, previously issued retrade, he or she will be entitled to select available accommodations with travel dates any time up to the expiration of the E-Plus Usage Window.

(ii) When the Individual Member requests an E-Plus retrade 59 days to 24 hours prior to the first date of occupancy of the original Confirmation or, if applicable, initial retrade, the member may only select from accommodations that have occupancy dates commencing up to 60 days after the first date of occupancy of the original Confirmation or previously issued retrade. Any subsequent retrade request may only be for Host Accommodations with occupancy dates 60 days or less prior to the first date of occupancy of the current retrade.

(iii) **E-Plus may not be used to change Host Accommodations less than 24 hours prior to the first date of occupancy of the current Host Accommodations.**

(d) Only one purchase of E-Plus may be made as to any particular Confirmation.

(e) **E-Plus may not be purchased for use with a ShortStay Exchange Confirmation, an Interval Options Confirmation, or with respect to the purchase of accommodations through the Getaway Program.**

(f) **E-Plus may not be used to secure a retrade where the Host Accommodations have become unavailable for occupancy for any reason. Where an Individual Member secures a retrade for accommodations located in an area prone to damage or destruction due to adverse weather conditions, earthquakes, or other natural disasters, travel insurance is available through a third-party provider. Information about travel insurance is available at IntervalWorld.com.**

(g) II's Exchange Cancellation Policy does not apply to an E-Plus retrade.

9. **II Exchange Cancellation Policy**

(a) **The only circumstances under which a Club Program Member using the Exchange Program may lose the use of his or her Points or, in the case of a Club Program Exchange Member retaining his or her Vacation Interest as a Week and in the case of all Individual Members, the use and occupancy of his or her Week, without being provided Host Accommodations are if such Club Program Member or Individual Member: (i) cancels a Confirmation seven days or more prior to the first date of occupancy of the Host Accommodations being canceled and fails to request substitute exchange accommodations in accordance with II's Exchange Cancellation Policy; (ii) cancels a Confirmation less than seven days prior to the first date of occupancy of the Host Accommodations being canceled; (iii) cancels or loses the use of a Confirmation, at any time, due to the threatened or actual damage or destruction of the Host Accommodations; (iv) cancels a Confirmation for substitute Host Accommodations which was previously issued to the Club Program Member or Individual Member under II's Exchange Cancellation Policy; or (v) where the use of the Home Resort accommodations by II is lost or impaired due to circumstances beyond II's control.**

(b) **In addition, any Club Program Exchange Member relinquishing a Week and any Individual Member may lose the use and occupancy of his or her Week, without being provided Host Accommodations if, (i) using the Deposit First method of exchange, such Club Program Exchange Member or Individual Member fails to submit a valid exchange request within the time periods specified or requests accommodations that are not available and fails to accept any alternate locations and/or time periods offered; or (ii) II's use of the deposited Week is lost or impaired due to circumstances beyond II's control.**

(c) **Under II's Exchange Cancellation Policy, a Club Program Member or an Individual Member is entitled to cancel a Confirmation by notifying II of his or her desire to cancel such Confirmation within the first 24 hours after the exchange request has been confirmed. In the event that the Club Program Member or an Individual Member has used the Deposit First method of exchange, the exchange fee shall be refunded and the deposit will revert to a status such that the Club Program Member or an Individual Member may redeem the deposit at a future time to place another exchange request. If a Club Program Member or an Individual Member has used the Request First method of exchange, the exchange fee will be refunded and** (i) **the Points used to secure the Confirmation, or** (ii) **the right to occupy the home resort accommodations shall revert to the Club Program Member or the Individual Member.**

(d) **When a Club Program Member or Individual Member notifies II of his or her desire to cancel a Confirmation seven days or more prior to the first date of occupancy of the Host Accommodations being canceled, the Club Program Member or Individual Member will be entitled to request substitute exchange accommodations, as long as the Club Program Member or Individual Member requests travel occurring no later than 12 months following the date on which the Club Program Member or Individual Member canceled said Confirmation for the Host Accommodations. However, the time period in which the Club Program Member or Individual Member is entitled to request substitute exchange accommodations is limited, as follows:**

(i) **When a Club Program Member or Individual Member notifies II of his or her desire to cancel the Confirmation 60 days or more prior to the first date of occupancy of his or her Host Accommodations, the Club Program Member or Individual Member may request substitute exchange accommodations at any time from the date of cancellation up to 24 hours prior to the first date of occupancy of such substitute exchange accommodations.**

(ii) **When the Club Program Member or Individual Member notifies II of his or her desire to cancel the Confirmation 59 days to 14 days prior to the first date of occupancy of his or her Host Accommodations, the Club Program Member or Individual Member may request substitute exchange accommodations 59 days to 24 hours prior to the first date of occupancy of such substitute exchange accommodations.**

(iii) **When a Club Program Member or Individual Member notifies II of his or her desire to cancel the Confirmation 13 days to seven days prior to the first date of occupancy of his or her Host Accommodations, the Club Program Member or Individual Member may request substitute exchange accommodations from limited travel destinations 30 days to 24 hours prior to the first date of occupancy of such substitute exchange accommodations.**

(iv) **II will retain the exchange fee paid initially to secure the canceled Confirmation.**

10. (a) **Notwithstanding the foregoing, a Club Program Member or Individual Member may not request substitute exchange accommodations where such Club Program Member or Individual Member has canceled or has lost the use of a Confirmation as a result of the Host Resort accommodations being damaged or destroyed.** Accordingly, where a Club Program Member or Individual Member is issued a Confirmation or a retrade to a Host Resort located in an area prone to damage or destruction due to adverse weather conditions, earthquakes, or other natural disasters, travel insurance is available through a third-party provider. Information about travel insurance is available at IntervalWorld.com. II reserves the right to deny a Club Program Member or Individual Member substitute exchange accommodations under II's Exchange Cancellation Policy where such Club Program Member or Individual Member has received compensation for his or her canceled exchange accommodations pursuant to exchange cancellation insurance or otherwise.

(b) In all instances that a Club Program Member or Individual Member requests substitute exchange accommodations pursuant to II's Exchange Cancellation Policy, the Club Program Member or Individual Member will be entitled to request substitute exchange accommodations comparable in value to the Points or Week relinquished.

(c) The date the Club Program Exchange Member or Individual Member cancels the Confirmation is the new date of relinquishment in determining a priority with respect to Paragraph 9 under the section titled "Week-Based Exchange Method".

(d) Where a request for substitute exchange accommodations is allowed under II's Exchange Cancellation Policy, the Club Program Member or Individual Member will be required to pay an additional exchange fee at the time he or she requests substitute exchange accommodations.

(e) II's Exchange Cancellation Policy does not apply to ShortStay Exchange Confirmations, Getaway Confirmations, or Interval Options Confirmations. A cancellation of a ShortStay Exchange Confirmation or Interval Options Confirmation results in the loss of the Home Resort unit week or Points relinquished.

11. **Club Program Members and Individual Members may be confirmed into a resort with weekly time periods beginning on any day of the week.**

12. Resort accommodations not confirmed by II to a Club Program Member, Individual Member, or Other II Member may be used by II for general commercial purposes.

13. **The Host Accommodations may be used by the Club Program Member or Individual Member only for personal and noncommercial purposes.** Club Program Members and Individual Members are expressly prohibited from exchanging or renting the Host Accommodations, including, but not limited to, offering the Host Accommodations for sale or rent to third parties through the use of a Guest Certificate or otherwise. Failure to use the Host Accommodations will not entitle Club Program Members or Individual Members to recover any Points or Week relinquished. Confirmations are issued

only in the name of the Club Program Member or Individual Member placing the exchange request. Host Accommodations may be used only by the Club Program Member or Individual Member and accompanying guests, unless a Guest Certificate is obtained from II. There is a fee for each Confirmation assigned via a Guest Certificate which must be paid, plus any applicable tax, when the Guest Certificate is requested. This Guest Certificate fee is in addition to the exchange fee required when the exchange request is placed. Notwithstanding the foregoing, Interval Platinum Members are not required to pay a Guest Certificate fee when requesting a Guest Certificate for their guests. **Failure to secure a Guest Certificate for a guest of the Club Program Member or Individual Member when the Club Program Member or Individual Member does not plan to occupy the Host Accommodations (including instances in which the member has been issued Confirmations for multiple units having the same travel dates at the same Member Resort) or obtaining Guest Certificates that are used for commercial purposes may result in termination of the membership and cancellation of any existing Confirmations, including those with future travel dates. Guests of Club Program Members or Individual Members who arrive at a Host Resort without a Guest Certificate will be denied access to the accommodations until the Club Program Member or Individual Member has purchased a Guest Certificate from II.**

14. The Club Program Member or Individual Member is responsible for the acts and omissions of the individuals occupying the Host Accommodations, including any loss or damage to the Host Resort or the Host Accommodations. **Individuals under the age of 21 are not eligible to receive a Guest Certificate. Additionally, the issuance of a Guest Certificate and the use of the Host Accommodations are subject to any restrictions or limitations that may be imposed by the Host Resort.** Club Program Members and Individual Members are expressly prohibited from selling or exchanging a Guest Certificate for cash, barter, or other consideration. In the event that any of the above terms are breached, II reserves the right to revoke the Guest Certificate and cancel the underlying Confirmation.

15. By submitting an exchange request, each Club Program Member or Individual Member represents and warrants that he or she has the necessary Points or, where applicable, the right to use or assign the use of the Week being relinquished, and that all maintenance fees and taxes, or similar charges, have been paid through the requested travel dates. **Exchange privileges may be denied if all such maintenance fee assessments or similar charges with MORI or the MVC Destinations Program have not been paid. II reserves the right to cancel any previously issued Confirmation if it subsequently receives notice that a Club Program Member or Individual Member has not paid any outstanding fee, assessment, or other charge in a timely fashion.** A vacation week may not be sold, rented, exchanged or given to any third party after such accommodations have been deposited with the Exchange Program, while II is attempting to fulfill an exchange request, or after II has issued a Confirmation. Additionally, if the Vacation Interest is sold, rented, exchanged or given to any third party after such accommodations have been deposited, while an exchange request is pending with II, or after II has issued a Confirmation into a week, such sale must be subject to II's exclusive right to use the week deposited (Deposit First) or relinquished (Request First) in the Exchange Program. Any action in contravention of the foregoing will subject the Club Program Member or Individual Member to an administrative fee. Additionally, such Club Program Member or Individual Member will be responsible for all liabilities incurred by II in connection with such double use of such accommodations. The Club Program Member's or Individual Member's membership privileges with II will be suspended (without further obligation by II) until such time as all amounts owed to II have been paid in full.

16. **In addition to the priorities noted above in Week-Based Exchange Method, Paragraph 9, priority in the exchange confirmation process is provided as follows:**

(a) **Club Program Members and Individual Members are afforded a priority over Other II Members when requesting an exchange to MVCI Resorts and other Member Resorts that are owned, marketed, and/or managed in common with the MVCI Resorts.**

(b) **Individual Members requesting an exchange to the MVCI Resort at which they own a Vacation Interest will receive priority over Club Program Members and other Individual Members who do not own a Vacation Interest at such MVCI Resort.**

(c) **Other II Members are afforded a priority when requesting an exchange to Member Resorts that are owned, or in certain instances branded, marketed, and/or managed in common with the Other II Member's home resort.**

(d) **Other II Members who own a Vacation Interest at a Member Resort located in certain geographic regions, including, but not limited to Australia, New Zealand, and/or South Africa will receive priority when requesting an exchange to other Member Resorts that are located in the same geographic region as the Member's home resort.**

MARRIOTT VACATION CLUB INTERNAL EXCHANGE PROCEDURES AND PRIORITIES

1. For all Club Program Trust Members and all Club Program Exchange Members requesting exchange services based on the relinquishment of Points, the Club Program Manager will be solely responsible for the performance of exchanges into the MVCI Resorts. Where a requested internal exchange cannot be confirmed through inventory available in the MVC Destinations Program, the Club Program Manager may submit internal exchange requests through II and, where the necessary inventory is or becomes available in the Exchange Program, II will issue the Confirmation to the Club Program Manager, who in turn will issue such Confirmation to the applicable Club Program Member.

2. For those Club Program Exchange Members choosing to relinquish a Week(s) and all Individual Members, exchanges into MVCI Resorts will be performed by II in accordance with the terms and conditions of this Section. **The procedures set forth herein are applicable only when all resorts requested for exchange by a Club Program Exchange Member or Individual Member are MVCI Resorts.**

3. To place a valid exchange request for use of accommodations at MVCI Resorts only, a minimum of one MVCI Resort and one time period (in one-week increments) must be requested. Additional MVCI Resorts and time periods may be specified and a Club Program Exchange Member or Individual Member may be confirmed into any listed resort for any Week specified.

4. Club Program Exchange Members choosing to relinquish a Week and Individual Members requesting an exchange only to a MVCI Resort may use either the Deposit First or Request First exchange method as set forth above, whereby all terms and conditions of the respective method chosen will apply, except that the Club Program Exchange Member will not be obligated to pay an exchange fee. In such instance, the appropriate Marriott Vacation Club Internal Exchange Fee will be paid by the Club Program Manager on behalf of each Club Program Exchange Member. Individual Members will be obligated to remit the appropriate Marriott Vacation Club Internal Exchange Fee to II on their own behalf. **Any exchange request submitted which contains both MVCI Resorts and other Member Resorts must be submitted in accordance with the other terms and conditions set forth in this guide, including payment of the standard applicable exchange fee in accordance with Fees, Paragraph 6 below. In the event such request is ultimately confirmed to a MVCI Resort, no portion of the fee paid to II will be refunded.**

5. **Marriott Vacation Club Internal Exchange Option.** In addition to being able to request an internal exchange to a MVCI Resort using either the Deposit First or Request First exchange method, a Club Program Exchange Member choosing to relinquish a Week or Individual Member may select a third type of exchange method available only to Club Program Exchange Members choosing to relinquish a Week(s) and Individual Members (the "Special Marriott Vacation Club Internal Exchange Option"). **The applicable Club Program Exchange Member or Individual Member must select from the Deposit First, Request First, or Special Marriott Vacation Club Internal Exchange Option exchange methods at the time of initiating a Marriott Vacation Club Internal Exchange request.** The Special Marriott Vacation Club Internal Exchange Option may be used where a Club Program Exchange Member or Individual Member places an exchange request at least 75 days prior to the commencement date of his or her Week and requests travel dates that fall after his or her assigned Week. The use of the Special Marriott Vacation Club Internal Exchange Option will be governed by the terms set forth in this Paragraph 5. If a Club Program Exchange Member or Individual Member selects the Special Marriott Vacation Club Internal Exchange Option and II does not issue a Confirmation from 12 months to at least 75 days prior to the commencement date of the member's assigned Week, such Club Program Exchange Member or Individual Member has the following options:

(a) The Club Program Exchange Member or Individual Member may request that his or her assigned Week be automatically returned to him or her for his or her own use and that II cancel the pending exchange request.

(b) The Club Program Exchange Member or Individual Member may request that II continue processing his or her exchange request and that the assigned Week be deposited with II. **If this option is chosen, all rights to occupy the assigned Week are relinquished by the Club Program Exchange Member or Individual Member and assigned to II 75 days prior to the commencement date of the deposited Week, irrespective of whether II ultimately confirms the pending exchange request.** In the event such request is not ultimately confirmed by II, such Club Program Exchange Member's or Individual Member's deposit will be governed by the terms and conditions of the Deposit First exchange method as set forth under Week-Based Exchange Methods above.

6. MVCI Owners of one-bedroom unit Weeks at Marriott's Aruba Ocean Club, Marriott's Custom House, Marriott's Grande Vista, Marriott's Kauai

Beach Club, Marriott's Maui Ocean Club, and Marriott's Mountain Valley Lodge at Breckenridge are eligible to request two-bedroom units at MVCI Resorts that do not have one-bedroom units.

7. MVCI Owners of Vacation Interests at Marriott's Ocean Pointe are not eligible to request accommodations at Marriott's Oceana Palms.

8. All other terms and conditions of II membership and exchange as set forth in this *Resort Directory*, except where specifically noted to the contrary, apply to these Special Marriott Vacation Club Internal Exchange procedures and priorities.

9. All of these special procedures and services are subject to change and neither II nor MORI guarantees the continuation of any such special procedures or services.

10. The following is a list of the current MVCI Resorts: Marriott Vacation Club at The Empire Place, Marriott's Aruba Ocean Club, Marriott's Aruba Surf Club, Marriott's Barony Beach Club, Marriott's BeachPlace Towers, Marriott's Canyon Villas, Marriott's Club Son Antem, Marriott's Crystal Shores on Marco Island, Marriott's Custom House, Marriott's Cypress Harbour, Marriott's Desert Springs Villas, Marriott's Desert Springs Villas II, Marriott's Fairway Villas at Seaview, Marriott's Frenchman's Cove, Marriott's Grand Chateau, Marriott's Grande Ocean, Marriott's Grande Vista, Marriott's Harbour Club at Harbour Town, Marriott's Harbour Pointe at Shelter Cove, Marriott's Harbour Lake, Marriott's Heritage Club at Harbour Town, Marriott's Imperial Palm Villas, Marriott's Kauai Beach Club, Marriott's Kauai Lagoons Kalanipu'u, Marriott's Ko Olina Beach Club, Marriott's Lakeshore Reserve, Marriott's Legends Edge at Bay Point, Marriott's Mai Khao Beach, Marriott's Manor Club at Ford's Colony, Marriott's Marbella Beach Club, Marriott's Maui Ocean Club, Maui Ocean Club Lahaina and Napili Villas, Marriott's Monarch at Sea Pines, Marriott's MountainSide, Marriott's Mountain Valley Lodge at Breckenridge, Marriott's Newport Coast Villas, Marriott's Ocean Pointe at Palm Beach Shores, Marriott's Oceana Palms, Marriott's OceanWatch Villas, Marriott's Phuket Beach Club, Marriott's Playa Andaluza, Marriott's Royal Palms, Marriott's Sabal Palms, Marriott's Shadow Ridge, Marriott's Shadow Ridge Enclaves, Marriott's St. Kitts Beach Club, Marriott's StreamSide at Vail, Marriott's Summit Watch, Marriott's Sunset Pointe at Shelter Cove, Marriott's SurfWatch, Marriott's Timber Lodge, Marriott's Village d'Ile de France, Marriott's Villas at Doral, Marriott's Waiohai Beach Club, Marriott's Willow Ridge Lodge, Marriott Grand Residence, 47 Park Street, London, and Marriott Grand Residence, Tahoe.

SPECIAL EXCHANGE SERVICES

1. The Getaway Program is a special exchange service offered by II from time to time in which resort accommodations are confirmed to Club Program Members, Individual Members, and Other II Members upon payment of a fee plus any applicable tax. The resort accommodations available through the Getaway Program include resort accommodations that have been deposited or relinquished to II by Member Resorts, Individual Members, or Other II Members, but are not otherwise utilized by II, and resort accommodations made available to II directly by resort developers or other third parties. The fee charged by II is based primarily upon the unit size confirmed, the location of the accommodations, and the occupancy date. **To participate in the Getaway Program, Club Program Members and Individual Members are not required to relinquish either Points or their Week. Interval Platinum Members are afforded "priority" Getaway viewing, which allows the Interval Platinum Members to view and reserve selected newly added Getaway resort accommodations in advance of other Members, provided, however, that priority Getaway viewing does not apply to any resort accommodations 59 days or less before their initial date of occupancy. Resort accommodations will be available to all Club Program Members or Individual Members in good standing at that time. In certain circumstances, Members may not be confirmed through the Getaway Program into their home resort or into Member Resorts that are, directly or indirectly, under common ownership or control with the home resort, due to the home resort's internal rules, regulations, or procedures. II reserves the right to limit the number of Getaway Confirmations issued to a particular Club Program Member or Individual Member in any particular year and to limit the number of units confirmed to a Club Program Member or Individual Member for any given Member Resort or any given travel dates.**

2. The Interval Options® Program is an alternative exchange service offered by II to Club Program Members and Individual Members participating in the Interval Gold and Interval Platinum membership programs, whereby said members are allowed to exchange their Points or Week for a credit against the purchase of cruise, spa, or golf vacations, as well as tours and certain other services. **Participation in this program requires the payment of an exchange transaction fee, as designated by II at the time the request is placed, and a supplemental fee upon II's confirmation thereof. The amount of the supplemental fee is assessed on a per-person basis and varies depending on many factors, including, but not limited to, the alternative vacation selected, the itinerary and travel dates selected, the accommodations selected, and, where applicable, the Week relinquished.** In all instances, the alternative vacation packages are requested using the Request First exchange method. All Interval Options exchange requests must be placed at least 90 days prior to the initial occupancy date of the home resort accommodations relinquished for such Interval Options exchange. The initial occupancy date of the requested Interval Options exchange may be prior to or subsequent to the occupancy date of the home resort accommodations relinquished, but may be no later than the advance booking date of the alternative vacation component. Additionally, the commencement date of the home resort accommodations relinquished may not be more than one year after the first date of the confirmed alternative vacation component.

3. **II's Exchange Cancellation Policy does not apply to Getaway Confirmations or Interval Options Confirmations. Any cancellation of a Getaway Confirmation results in the loss of the Getaway resort accommodations and all fees paid. The transaction fee associated with an Interval Options exchange request will be refunded only if an exchange cannot be confirmed, or if cancellation of the applicable exchange request is received by II prior to Confirmation. The supplemental fee shall be refunded in accordance with the refund policies of the provider(s) of the alternative vacation component(s).** For a Member who receives a Getaway Confirmation or an Interval Options Confirmation for accommodations or an alternative vacation package located in an area prone to damage or destruction due to adverse weather conditions, earthquakes, or other natural disasters, travel insurance is available through a third-party provider. Information about travel insurance is available at IntervalWorld.com.

4. **Getaway and Interval Options Confirmations may not be sold, bartered, or exchanged for other compensation.** However, where the Club Program Member or Individual Member will not be occupying the confirmed Getaway resort accommodations or utilizing the Interval Options alternative vacation package, a Guest Certificate may be obtained in accordance with the terms set forth in Paragraphs 13 and 14 under Exchange Procedures and Priorities.

5. All other terms and conditions of the Exchange Program apply to these special services, except where noted to the contrary.

6. II does not guarantee the continuation of either of these special exchange services. Club Program Members and Individual Members will be advised in writing if either of these services is discontinued. The vacation accommodations available through the Getaway Program may vary, from time to time, and its terms of use may be changed without prior notice.

FEES

Residents of different geographic areas are subject to different exchange fees, which are assessed by local servicing offices or representatives.

1. MORI maintains a corporate membership in the Exchange Program, and each Club Program Member derives II membership benefits and exchange privileges through such corporate membership.

2. Where a Club Program Member owns a Vacation Interest in addition to that which supports his or her membership in the MVC Destinations Program, said member must maintain an Individual Membership in the Exchange Program, separate and distinct from his or her participation in the corporate membership program offered by MORI. In addition, where a MVCI Owner is an Individual Member at the time of his or her election to participate in the MVC Destinations Program and, pursuant to such membership, has a deposited week, placed a pending exchange request, or been issued a Confirmation, he or she will be required to maintain his or her Individual Membership until such deposit is redeemed and confirmed or the deposit expires, request is canceled or confirmed, and the confirmed travel has been canceled or completed.

3. Individual Members must pay an annual membership fee as designated by II from time to time, plus any applicable tax. Where an Individual Member is enrolled in II's Automatic Renewal Option, annual renewal dues (including those for Interval Gold and Interval Platinum membership, where applicable) will be charged automatically to the credit card indicated, at the rate applicable at membership expiration, unless canceled in writing prior to the renewal date. II will provide each Individual Member not less than seven calendar days' written notice of renewal prior to processing such automatic charge. Individual Membership will continue from year to year for as long as the Individual Member is eligible for membership. Where an Individual Member purchases additional Vacation Interests, such Individual Member may include such additional Vacation Interests within his or her then-current Individual Membership upon the payment of an administrative fee per adjustment. Alternatively, upon the purchase of additional Vacation Interests, an Individual Member may elect to pay an additional annual Individual Membership fee at the time such Vacation Interests are included with the Individual Membership, whereupon II shall extend the term of said Member's then-current Individual Membership for an additional 12-month period per additional membership fee paid.

4. Any Club Program Member or Individual Member may independently upgrade his or her corporate membership to Interval Gold or Interval Platinum status upon his or her payment of the applicable upgrade fee, plus any applicable tax. Each Club Program Member and Individual Member acknowledges and agrees that membership in Interval Gold or Interval Platinum is separate and distinct from the corporate membership maintained on behalf of each Club Program Member by MORI or his or her Individual Membership, as applicable, and each Club Program Member and Individual Member shall be responsible for his or her enrollment in and, where applicable, renewal of Interval Gold or Interval Platinum membership. Failure to renew membership within 120 days from any expiration thereof may require payment of a readmission fee to reinstate membership.

5. **Individual Membership fees are refundable on a pro rata basis (based on the number of full months remaining in the applicable membership period) upon II's receipt of an Individual Member's request for cancellation of his or her membership and a refund; Interval Gold membership fees are refundable on the same basis provided, however, that the Club Program Member or Individual Member also returns to II any Interval Gold membership card(s) that he or she has received. Upgrade fees for Interval Platinum are nonrefundable under any circumstances.**

6. The applicable exchange fee per week to be confirmed is subject to any applicable tax and must be paid at the time an exchange request is made. An exchange request to travel within the Club Program Member's or Individual Member's country of residence requires a domestic processing fee. For travel outside the Club Program Member's or Individual Member's country of residence, an international processing fee is required. **Any request that contains destinations both within the country of residence and outside the country of residence requires the international processing fee, regardless of where the request is ultimately confirmed.** If the international processing fee is paid, no portion of the fee will be refunded if confirmed to an area in which the domestic processing fee would otherwise apply. Notwithstanding the foregoing, Club Program Members and Individual Members residing in the United States, Canada, and the Caribbean pay the same processing fee, regardless of the travel destination selected. Club Program Members and Individual Members who choose to utilize II's website at IntervalWorld.com to transact an exchange request are eligible to receive a discount on the applicable processing fee, per week confirmed. If the request is made by telephone, the exchange fee may be paid by a credit card acceptable to II or by check. Where the exchange fee is paid by check, however, confirmation will not occur until said check has been received and processed by II. Accommodations will be held for five calendar days pending receipt of a check for an exchange fee. In addition, in any instance in which a Club Program Member or Individual Member pays a fee by check, II reserves the right to collect an administrative fee where such check is returned to II. Checks are not accepted for Confirmations with occupancy commencement dates within 30 days or less. Exchange fees will be refunded only if an exchange cannot be confirmed, if cancellation of the applicable exchange request is received by II prior to Confirmation, or if cancellation is received by II within the first 24 hours of a Confirmation's issuance. Exchange fees will not be refunded under any other circumstances.

7. The applicable exchange fee, plus any applicable tax, must be submitted by the Club Program Member or Individual Member at the time a ShortStay Exchange Confirmation is received. This exchange fee is nonrefundable. Any cancellation of a ShortStay Exchange results in the loss of the Points or Week relinquished.

8. The purchase of E-Plus requires the payment of an additional fee, plus any applicable tax per exchange request or Confirmation. **An E-Plus fee will only be refunded if the original exchange request cannot be confirmed or if cancellation of the original exchange request is received prior to Confirmation. E-Plus fees will not be refunded under any other circumstances.**

9. If the Deposit Extension Option is selected by a Club Program Exchange Member or Individual Member who has relinquished a Week to II, an additional fee per deposit is required at the time the deposit extension is requested. The applicable fee is required to extend a deposit for six or 12 months.

10. If a Guest Certificate is requested by any Club Program Member or Individual Member other than an Interval Platinum Member, an additional fee is required at the time the certificate is requested. If II does not issue a Confirmation for which the Guest Certificate has been purchased, the certificate fee will be refunded. Guest Certificate fees will not be refunded under any other circumstances. Interval Platinum Members are not required to pay a fee to request a Guest Certificate.

11. The applicable Marriott Vacation Club Internal Exchange Fee for requests to MVCI Resorts only, plus any applicable tax, per Week exchanged, must be submitted at the time a request is made, and will only be refunded if the exchange request cannot be confirmed or written cancellation is received by II prior to Confirmation. Any exchange request submitted that contains both MVCI Resorts and other Member Resorts must be submitted in accordance with the other terms and conditions set forth in this *Resort Directory*, including payment of the standard applicable exchange fee. In the event such request is ultimately confirmed to a MVCI Resort, no portion of the fee paid to II will be refunded (e.g., the difference between the exchange processing fee and the Marriott Vacation Club Internal Exchange Fee). The Marriott Vacation Club Internal Exchange Fee may be increased from time to time, upon written notice to Members.

12. In the event that a Club Program Member or Individual Member sells, rents, exchanges, or otherwise assigns the Home Resort accommodations to any third party after such accommodations have been deposited with II, while a request is pending with II, or after II has issued a Confirmation, II will assess such Club Program Member or Individual Member an administrative fee. Additionally, such Club Program Member or Individual Member will be responsible for all liabilities incurred by II in connection with the double use of the accommodations by the Club Program Member or Individual Member. Under these circumstances, membership privileges will be suspended (without further obligation by II) until such time as all amounts owed have been paid in full to II.

13. II may suspend membership privileges in the event a Club Program Member or Individual Member fails to pay any amount owed to the Host Resort, II, or any other company related to II.

14. Some jurisdictions have imposed a tax on the occupant of resort accommodations. Consequently, any bed tax, transient occupancy tax, or similar tax that is imposed shall, in those circumstances, be the responsibility of the exchanging Club Program Member or Individual Member. Members may be required to contact the Host Resort prior to arrival in order to prepay such taxes and certain other resort fees. Additionally, Club Program Members and Individual Members are responsible for all personal charges (e.g., telephone calls and meals) while at the Host Resort, any utility surcharge or other charge imposed by a resort, as well as any damage to or loss or theft from the Host Accommodations and facilities that is caused by Club Program Members or Individual Members and their respective guests.

15. Fees, if any, charged by Member Resorts for certain services, meal plans, and amenities are determined and levied by each resort. Such fees are the responsibility of the Club Program Member or Individual Member. These fees vary from resort to resort.

16. All fees may be increased from time to time by II, at its sole discretion. Club Program Members and Individual Members will be advised of any such increases through II's regular publications or on II's website, IntervalWorld.com.
